Tätä on luettu tarkasti ja hartaasti ja moneen kertaan. Alkaa koirin nimetkin jo olla tuttuja, niin monta kertaa on kaikki etsitty.

My 3 yr old loves this book! He likes finding the different characters and pointing out different objects. This is a great week and find book.

Kuopus on yllättävän taidokas löytämään lähikirjastomme valikoimasta erilaiset ryhmä hau -kirjat. Tämä kyseinen kirja on piilokuvakirja. Jokaisella aukeamalla oli muutama kuva/koira/esine etsittävänä aukeaman isosta kuvasta. Kuopus oli varsin tarkka jokaisen koiran ja kulkuneuvon kohdalla, mutta parilla aukeamalla tuli vaikeuksia etsiä juuri kirjan pyytämiä asioita.

As a paperback giant book, this is rather flimsy. As a look & find book, it is pretty much in line with other similar books, just based on Paw Patrol. Some of the pages are fairly easy (like finding the pups or their vehicles). Other's are a little more difficult (like finding different birds or pastries). Similar to many other look and find books, there are also additional optional finds listed in the back. It's fun mostly because it makes kid's think and is a popular show that children love. Otherwise it wouldn't have much going for it.
