## Sweet Burden K.L. Ogden

Hitomi Beaumann isn't supposed to live to see her 18th birthday.

Hitomi has always been just an average girl in a small town. But now she's being followed and her skin prickles every time the eyes are on her. After escaping a brutal attack thanks to a mysterious young man, she discovers he is one of the ones who have been watching her. Obsidian has jet black hair, red eyes and an attitude to match. As she finds herself drawn to Obsidian, she also realizes that he might just be as evil as he wants her to believe.

With someone trying to kill Hitomi and her birthday drawing closer, she finds herself plunged into a reality where a power struggle has been raging for years between mystical realms, humans are not the only beings and most of her life has been a lie.

Will Hitomi make it to her 18th birthday to discover secrets hidden from her? Will Obsidian be there to protect her or will he be the one to end her?

This is Book 1 of the Sweet Burden Series. Book 2 is scheduled for release the summer of 2012.

## From Reader Review Sweet Burden for online ebook

### **Susy says**

THis book was wonderful and it wasn't a burden to read it.

---

### **Belinda says**

Great story line - different!

---

### **Barbara Caughey-dailey says**

I loved this book! Once I started reading, I couldn't put it down! Obi and Hitomi's love story roller coaster ride is so intense, it keeps you awake reading deep into the night!!!!!! :)

---

### **Tatianna Lancaster says**

Awesome book! Totally loved the new take on Japanese folklore. I'm a big fan of Deathnote so I thought this story was cool because it added the whole love story aspect. Already read the second one and it just gets better! Obsidian is amazing!

---

### **Heather says**

I'm not very good at reviews, but this book really warrants some accolades. From the first few pages I was hooked. The sweetness of Hitomi and the mystery of Obi really drew me in. I absolutely loved the characters. Following Hitomi and Obi through all the discovery and adventure is purely a rollercoaster ride. I don't want to give away any of the story, but the tension between Hitomi and Obi as their attraction builds is too much to bear at some points. And it was nice at the end that it wasn't the guy saving the girl. I hope Hitomi continues to grow as a strong heroine. I can't wait for the second book! This book would make an awesome movie!

---

### **Kate says**

It was so refreshing to read a fantasy book that didn't involve vampires (or s&m). Sweet burden was a great start to author K.L. ogden's series. The character development was great. As Hitomi goes through this adventure and a huge life change, the story flows nicely along with it. The love story that unfolds between Hitomi and Obi was natural and not obsessive. After finishing the first book I couldn't wait to read the second in the series! I highly recommend this book. The author is from my home town and I am also always

happy to support a local author:)

Summary:

Hitomi Beaumann isn't supposed to live to see her 18th birthday.

Hitomi has always been just an average girl in a small town. But now she's being followed and her skin prickles every time the eyes are on her. After escaping a brutal attack thanks to a mysterious young man, she discovers he is one of the ones who have been watching her. Obsidian has jet black hair, red eyes and an attitude to match. As she finds herself drawn to Obsidian, she also realizes that he might just be as evil as he wants her to believe.

With someone trying to kill Hitomi and her birthday drawing closer, she finds herself plunged into a reality where a power struggle has been raging for years between mystical realms, humans are not the only beings and most of her life has been a lie.

Will Hitomi make it to her 18th birthday to discover secrets hidden from her? Will Obsidian be there to protect her or will he be the one to end her?

This is Book 1 of the Sweet Burden Series. Book 2 is scheduled for release the summer of 2012.

## **The BookWhisperer says**

Such Sweet Sorrow. The downside to this life of reading and reviewing is the novels that just do not quite make it to the top of the list. I was anxious to read Sweet Burden, and could not wait to get started. The first time I started reading it I struggled so much that I put it down for another day. Many times I will encounter a story that just happens not to satisfy my craving at that particular moment. I then find later when I pick up and start reading that it had nothing to do with the story, and everything to do with me. So, rule of thumb is to always put it down and try again later. Later, for this story offered the same results, so I have to accept that this is just not the story for me.
