More backstory on Morinaga is good! I would actually prefer the story to just revolve around his family and hometown in regards to his sexuality. Can we do that?

No?

2 stars then. Fuck it.

2,5 stars.

After consummating his affections with his sempai, Morinaga is frustrated by Tatsumi's continuing indifference. Bargaining and wild sex ensues when he tries pushing his luck and Tatsumi's boundaries. But it isn't easy when Tatsumi himself keeps changing the rules and definition of their relationships. Are they lovers? Fuck buddies? Friends with benefits? While it is amusing to watch as the power shifts from one man to the other, whether the two of them are lovers is a baffling question, both for the characters and the readers.

An adorable story! Really peculiar. The characters are relatable and different. And I love their personality developement throughout the series! And the story arcs are captivating. It isn't perfect - it's probably a 4.5 rather than a 5 but honestly, it's one of my favorites so I'm biased!

how can something with a premise as wrong as this be so very, very good? i don't know, my moral compass is hopelessly adrift these days.

El senpai me tiene hasta la coronilla. Joder, al único tsundere que tolero es Midorima. Y ESTE PELIBLANCO SE PASA DE V\*\*\*

Slowly/rapidly becoming the Queen of Yaoi in Europe as well, H.T.'s books do have a certain something, glimpses and breaks in the conventional yaoi narrative that justify success. The sickening bottom-has-to-be-half-forced-each-time (and it hurts and he still sort of maybe wants it -> the feminine/womanly ideal of crying with pain to indicate/induce pleasure) is counter-weighted by the bottom being the older, taller teacher, who rants and raves and hates gays and is just generally amusing/cute in his tantrums (stupidly, I still hope for a simple swap at some point). So, DESPITE that formula upon which MAINSTREAM yaoi depends (since it's for (Japanese) girls yaddayadda), there are enough unique panels to make it good.

I don't know why I like this series so much. These two are horrible for each other. But they're so cute. And progress!

It's quite funny to watch Soichi relentlessly insist on not loving Morinaga - while being all pissy when someone just looks at him the wrong way. I loved the background story about Morinaga's first love, about the boy who tried to kill himself and about the secret that drove Morinaga away from his family. It's not just about Morinaga pining after Soichi anymore, the characters are becoming richer, more colorful.

Oh my God I love this series! The dynamic between the seme and uke is so original and awesome. You'd expect the bossy jerky one to be on top, but it's the sweet one he pushes around. And the sweet one is constantly jumping his sempai! I love how sempai is totally cool the next day after he gets forced into sex. My God it's so hot! I like how they keep it real too. You want to believe that the seme secretly loves it, but he's so upset he doesn't even want to go to school. That just shows what a big hurdle the author has to make this work. We're having to wait for it and I love the ride! x-posted from Amazon

AHHHHHHHHHHHHH LOVE LOVE LOVE!!! Just a fun read overall.

Seriously I love how this manga actually has a plot to it but still have nosebleed-worthy scenes in it. PERFECT!

In this volume we got to see more of Morinaga's past which was reaaaalllly exciting! \*jumping up and down\* So this manga does have depth. We got introduced to Morinaga's brother and Masaki. I CANNOT wait to see Masaki and more of this somewhat mysterious past. We saw enough of it in this volume to get a basic understanding of it but I want to dig deeper, see *every single* detail of it. AND I BETTER MEET THE "NOW" MASAKI!!! OMG I NEED THAT LIKE NOW!!! OMG!! I want some tension, angst and EVERYTHING ELSE!

And like I mentioned last volume, I reeealllly love the relationship between Morinaga and Souichi! LIKE PERFECT!

Morinaga practically has this little lewd monster in it. \*chuckles\* omg I can't! And you know Souichi likes *the act*.

AND AND AND! OMG IS THAT A HAIRCUTTING SCENE!!!! OHMEEGOD!!! (Okay let me give you a back story to it...)

**Story Time!** So like some of you know, I am in university right now and well, I kind of ship two of my profs together...both guys. Okay, they are not gay...sadly, but I like how they looked together. And last semester one of the got a hair cut and last week the other did too. So my sister and I were thinking up this yaoi scene with them and haircutting. So when this haircutting scene appeared in this manga...I LITERALLY DIED. So I was kind of thinking Morinaga and Souichi as my profs. OMG LIKE HOT! **Fin** ANYWAY....I LOVEEEEDD THIS!

PS: I love Souichi's little sister :3 So cute and fun to read.
