Basics of Legal Document Preparation Robert Cummins

Basics of Legal Document Preparation provides essential knowledge necessary for students to determine the appropriate legal document required in any given situation. It also provides the technical skills required for students to prepare each document. The book is divided into three sections with the first consisting of goals, forms, instruments, pleading and general American jurisprudence. The second section focuses on instruments such as contracts, real estate transactions, wills, and trusts. And the third section is comprised of legal pleadings for many specific areas of law such as bankruptcy, criminal and appellate practices, federal practice, and domestic relations.
