Snow says

read because Chocolat is freakin' amazing

Jenny Clark says

Pretty good series so far, so many emotions tangled up in the small group. So, who was Pretty Boy's first love??

Lara says

More love triangle drama, but the characters do seem to have a little more depth in this volume than in previous ones. I can't believe this was the end for so long! Soooooo glad they finally went back and finished after such a long hiatus...

Keri (JD) says

Really enjoyed this volume, with how it dealt with loving more than one person at once.

Dominique says

this manhwa is awesome in this volume kum-ji startes dating e-soh and she still likes e-wan though she goes on an date with e-soh at cristmas then she break us with him relazing her feeling again for e- soh ten kum-ji confessed to e-wan the first time he rejected her and she was sad but the reason this book is so good is that he romance level was very high and is very captivating and addictive its like creamy chocolate
