## From Boss to Bridegroom Karen Kirst

### *Falling for the Boss*

Being tied up and delivered to the sheriff was not how Nicole O'Malley expected to meet her new boss. Quinn Darling had the audacity to mistake *her* for a burglar! Now she's counting the days until she can leave small-town life behind to open her own boutique. But as long as she's helping two runaways escape their vindictive stepdad, she can't leave town.

Quinn's determined to triumph in his first business venture without the support of his wealthy family. He can't succeed without assistant Nicole, a beauty as prickly as she is captivating. As Quinn adjusts to the tight-knit community, he's soon set on another goal: breaking through Nicole's reserve to capture the love hidden in her heart.

*Smoky Mountain Matches: Dreams of home and family come true in the Smoky Mountains*

### **Shelly Dabbs says**

Karen did it again. I totally enjoyed this book.

---

### **Jamie Harrington says**

Karen Kirst does it again, this book is fantastic and such an enjoyable read! I was intrigued as to what kind of man would be able to break through the hard shell that I had seen in Nicole in the previous books and Quinn did not disappoint! Yes, Quinn was captivated by Nicole's beauty, but he also wasn't afraid to dig past her walls to see her inner beauty, and he would gently challenge her to see life beyond her plans and assumptions & to allow God to work in her life. A great read!! And I found out that there will be 2 more books coming out about the 2 younger sisters . . . can't wait!!

---

### **Judine Brey says**

This book started out with the best (or worst) meeting of the two protagonists. Nicole, believing her new boss is an intruder, smacks him in the head with a pot. The fact that the two of them get past this and are able to work together is well described. Additionally, I loved how Quinn was able to get Nicole to see her shortcomings regarding her family. By opening Nicole's eyes to what was really wrong, he was able to allow her to create stronger relationships with everyone around her, not just himself. A fun, worthwhile read.

---

### **Hazel Robinson says**

#### **Good**

I enjoyed catching up with the O'Malley family. Nicole really plucked my last nerve, she had her mind made up that she was going to move away and start her boutique, not thinking that maybe God had other plans. Loved Quinn Darling the perfect hero to help Nicole loosen up and have fun. This book had bullying, child abuse, murder and God. Loved the closeness of the O'Malley family.

---

### **Bree says**

Cute short story.

---

### **Mariah H says**

Loved it.

### **Harlequin Historical says**

Miniseries: Smoky Mountain Matches

---

### **Gentle says**

I won a copy of From Boss to Bridegroom from Goodreads. I haven't read any other books in the series, but found this one to be enjoyable. A cute romantic story about engaging characters.

### **Paula-O says**

Series Smoky Mountain Matches, book #6 "From Boss to Bridegroom" by Karen Kirst

The title lets you know what will happen BUT not what is going to happen along the way...

You will so enjoy as I did all the details. Nicole O'Malley has several sisters but along the way she has come up with the idea that they are all more beautiful and know so much more than she does so she spends her time pushing everyone away and not getting close to anyone. The first ones she lets come closer is a young brother and sister fleeing from a dangerous stepfather. Helping them also helps her.

Quinn Darling comes to town to take over a store and inherits Nicole as an assistant. She is a good worker and he soon learns she can be trusted. He really thinks she is very pretty and tries to get to know her better, though he can see this just might be a problem with her outlook on her life.  
He hopes in time to capture the love hidden in her heart.

Karen has written a wonderful story of family, dreams and love that sneaks up on you.

---

### **Dori Stowell says**

I definitely need to read the first 5! This was a page turner that I couldn't put down!

---

### **Bethany Swafford says**

Maybe if I would have started at the beginning with this series I would have liked it more. I just felt like there was a lot of back stories that I didn't know because of this.

---

### **Bonnie says**

From Boss To Bridegroom by Karen Kirst was a very good book. Wealthy Quinn Darling leaves his family business to move to a small town to take over a mercantile store. He wants to prove he can make it on his own. Nicole O'Malley worked at the store for the last owner. She continues to work for Quinn. Nicole is saving money to move away from the small town to a bigger town to open a dressmaker store. A lot of things go on in this book. A must read.

---

### **Harlequin Books says**

"From the humor-filled misunderstanding opener, Kirst's latest is laced with witty banter and good character growth. This is a faith-filled and top-notch series that just keeps getting better!" (RT Book Reviews, 4 stars)

Miniseries: Smoky Mountain Matches

### **Lynsay says**

Loved, loved, loved this book. Great continuation of the series. I was pleasantly surprised with this book. I pictured a different Hero for Nicole. Just from Caleb's comment at the end of Caleb's book, I pictured the complete opposite of what Nicole seemed to want. I kind of pictured her with a rancher. This book was great, delving deeper into Nicole's personality and completely dismantling what I had thought of her as. I was surprised/not surprised at what some of the town thought of her as, but even with the little moments in the previous books, I never pictured her as snobbish. The 3 girls from Nathan and Sophie's story, yes, Nicole, no.

We even got a little more of the twins. Looking forward to their stories.
