## **From Reader Review On a Pale Horse for online ebook**

### **Dad says**

I read the first few books of the incarnations series, but did not finish the whole series because I did not take the time to find the last one or two I missed.

---

### **Jason Rutherford says**

I have read and reread all of the Incarnation series, the best P. Anthony has done(in my opinion) would absolutely love to see the movie adaptations of these.

---
