From Reader Review The Best Short Stories of Arthur C. Clarke: The Collected Stories of Arthur C. Clarke for online ebook

John says

Intelligent, hard sf. Clarke's vision of the future is engineer-centric and funny. It's still worth a read.

Gordon Taggart says

Great collection is ACC's short stories. Enjoyable reading, it is true to say that they don't make them the way they used to. Clever stories rather than whizzy stories.
