Where the Road Begins

Nancy Dane

Where the Road Begins Nancy Dane

Across Arkansas men marched away to subdue devils-either Yankee or Confederate-depending on one's politics. Unfortunately devils of another breed stayed behind. In the spellbinding novel Where the Road Begins, author Nancy Dane brings alive a time when marauding bushwhackers rode the hills and when women had as much to fear as any soldier. This clash between North and South took a conscripted youth, Elijah Loring, far from the banks of Little Piney Creek down a road where terror and war awaited. After returning home a hardened man, he suffered lost love, and in a lawless land, confronted dangers as great as any endured in the crushed Confederate army.

Ilean says

I did enjoy this book to learn more about the Civil War and how it affected people, changing lives and minds. I was not really into the technical part of who was who in the armies. I did know some of the names bantered around and the different battles. Reading about the hardships, soundings, and killings was harsh but it was part of war.

I was also very intrigued as I had ancestral family who lived in Arkansas. The family was divided and some were forced to change allegiance from the south to north, and some died.

If you are interested in life during the Civil War, this is a great book to read.

Nancy says

Totally enjoyed Where the Road Begins....the characters were my friends by the end of the book. The kind of writing that makes me search for more books by Nancy Dane.

Mom says

This was a great book, w/ colorful characters, and insite into families of the Civil War soldiers of Arkansas. Moving and well done.

Nancy says

Loved it!

Samantha says

This is by far one of the best books I have ever read! I could just hear, see, taste and smell every detail in it. It was a new look into the Civil War and just how it affected the people of Arkansas.

Shelley Dillard says

Loved this book and not because I live near Clarksville in Johnson Co. and not far from Little Piney. It was a great read and I'm looking forward to reading the rest of the series.

Kris Hughes says

Really enjoyed this series as a whole. Book one and two started off slow, but picked up.

Paula says

Very good novel series with a lot of factual history about the Civil War in Arkansas.
