## Xander: Part 2, The Present Anne Mercier

It's ten years later, and we're still living separate lives. While I know she isn't comfortable with my lifestyle after everything she's been through, I can't be without her anymore.

I need her.

She's my wife.  
She's my heartbeat.  
She's my every breath.  
She's my everything.

I want to know every detail of her life. I want to be part of it all. I want to work as hard to get there as she did to get here.

She's always been my girl—even at the age of eight. As I face her now, there's no doubt she'll be mine until I draw my last breath.

It's time for our forever to begin.

## **From Reader Review Xander: Part 2, The Present for online ebook**

### **Heather Peterson says**

#### **Omg omg omg so much love for Tera and Xan my Man**

Ok so I feel like I have waited for ever for this book. And you want to know something?....well it was amazing...it was everything I needed from Xander and Tera's book. I love this group of characters so much. You get wrapped up in them, you feel for them, you cry for and with them, you laugh with them and you blush a lot because of them because you damn they are sexy. So Thank You Anne for this beautifully amazing world you created for us.

So for all the readers go get them all fall in love with the Falling Down Blush crew.

Ssoooooo Gooooood..... did I mention that is was Good!!!

---

### **Kelly says**

#### **Amazing**

So worth the wait! Anne Mercier outdid herself. What a moving and happy ending for Xander and Tera! Kudos to you!

---

### **Lynn Lim says**

May 27th, 8pm I see a post that Anne Mercier going to hit the publish button very early the next morning! SQUEE, CAN NOT WAIT!!!!

May 28th, 6am, and repeatedly thru the day, checking to see if it is live. Darn, WHEN IS IT GOING LIVE!!!

May 28th, 10:28pm, OMG, it is LIVE!!!! HIT THAT PURCHASE BUTTON!!!!

May 28th, 10:42 The email comes thru, that Xander: Part 2 in on my ereader. I snuggle down on my couch and start reading.....

May 29th, 3:14am, O! M! F! G!!!! SOOOOOOOOOOOOO WORTH THE WAIT. ANNE MERCIER, YOU FREAKING ROCK!!!!

Ladies, have your tissues ready. I used quite a few. The emotions that this book brought on! Sadness! Happiness! ANGER!!!!!! Some parts just totally pissed me off at BOTH Tera and Xander! I wanted to throat punch both for their stupidity!!! Yes, I understand what Tera went through, well, not really, No! Body! could, unless they went through it.... but really! My heart just totally ripped for these two. The best part for me... the hospital scene, the tears were totally flowing..... Sorry ladies, no spoilers, or hints from me. OMG, then the concert in NYC!!!! the tears. I could go on, and on, about parts that I LOOOOOVED, but.... You definitely HAVE to read this phenomenal book!!!

KUDOS, ANNE MERCIER!!! YOU DEFINITELY HAVE A WINNER HERE!!!!

I sooooo loved Xander and Tera!!

Thank you for reading my review.

### **Darcy says**

It's a good thing that the last quarter of the book saved the first three quarters. The last book, broke my heart, but for some reason the first part to this one pissed me off. Xander and Tera are married, made it through a terrible event, then seemed to implode in the aftermath. They didn't seem to want to be together, evidenced by both of them sleeping around...for years. I had issues with this. I mean how do you come back from something like this, especially when pictures of them with other people end up in the press.

So with my feelings about the first part color me surprised that I was ok with how things ended. I liked that Tera went to Casa Falling Down, how she talked to Xander and then to them all. That seemed to win over the group, a good thing as there were hard feelings. I found myself in tears when Tera went back to the alley, found the tears rolling down my face with Cage's words and Tera's gift to Cage.

All of that made the announcement at the concert great and a very long time coming!

### **Jennifer Smith says**

loved loved it

---

### **Rejane says**

And because of its antecessor....

This "Xander 2" should be funny though. Lol

### **Stacy Sullivan says**

#### **Anne did it again.....**

Love love the book, it was so worth the wait..... spook awesome just couldn't put it down, Xan the man , oh boy.....couldn't stop laughing.... Had me lost in my head for a while, just what I needed. Thank you Anne

Mercier, you ROCK!!!!!!!

---

### **Cathy says**

#### **Very disappointed**

First, thank you Anne Mercier for giving us Falling Down and Blush. Loved the stories; however, Xander 2 is a bit of a let down. She wrote that she rewrote the epilogue from Xander 1 because it was too harsh, then wrote more than half of Xander 2 the same way. At the end of Xander 1, my heart bled for Tera. But in Xander 2 I began to dislike her. The couple showed no growth through the entire book. In fact, they spent very little time together in the actual story. We were robbed of the story that mattered...how they rebuilt their relationship after so much hardship and mistakes.

Then when Tera re-emerges, we are subjected to a summary of what we just read. Ugh!

And what about Xander? Are there two of them cuz the one we read about in all of the other books was not the one in this book. The happy go lucky, joking guy was not in this book. Again we were robbed of the Xander transformation from the horrific events of book 1 to the guy we met in the other books.

This book missed the mark!!

---

### **Alicia Shipler says**

#### **Yes!!**

I absolutely love how this story went. I have read the whole series and am infatuated with how she has written the whole family. I am excited to see what is up next for the next couple in this family and what kind of Xananagins they get up to! Keep them coming!

---

### **Lu Bielefeld \*read.laugh.love\* says**

UPDATE:

Kudos to the author. She is very talented, I can not deny.

Curiosity killed the cat.

I did not resist and I ended up reading to see how the author would lead the outcome of the story.

I confess that in real life it would be impossible to overcome everything these two did to each other.

He's cheating her publicly and she having sex with other men over the years. All very dirty in my opinion.

She was not without sex, which is already a bonus in the stories we are accustomed to reading. Which won my sympathy.

At least he suffered when he learned that she had sex with other men.

I love it when the cheater feels the taste of betrayal.

But I find everything very painful and irreversible. It would be best if they split up and maybe come back in

the future. The wedding vows were thrown in the trash.  
And his relationship with Luce ... I will not even go into it.  
Everything ended up being overcome and their supposed love won.  
I personally did not swallow it, but the author's writing is convincing and gives credence to the couple.  
I killed my curiosity and said goodbye to the series.  
These stories are not for me.  
I'm sorry, this is a case of "it's me not you".

---

Not released yet... but... ten years too late, LOL!  
I think it's going to be hard to redeem this hero ... But as these days all heroines are a complete doormats.  
If I was his wife I would rip his dick and shove it down his throat until he died choking.

PS: I use the goodreads to have a record of my readings and not buy books that certainly will displease me or that I didn't like the previous ones in the series. As I have the habit of clicking on impulse I buy from time to time without remembering that was on my list of things to avoid.

Xander:part2, The Present

You will need to read Xander Part 1, The Past before you start part 2.

This book had my emotions up and down like a coaster. The perfect story for Xan and Tera. It explains so much. I laughed, I had tears. My heart was so full of happy for both of them. So worth the wait. I am so glad she didn't rush and push herself because this story is perfect!  
Anne has so many great lines and quotes my kindle is highlighted from beginning to end.  
Heart melting, bring you to your knees, sniffling, amazing read. With an epic Epilogue!!!  
“Everyone knows life is more fun with a little Xananigans”

---

### **Lisa M says**

#### **Love this book!**

Amazing. Terrifying. Gritty. Strong. An incredible, enduring love with enough strength and hope for 10 lifetimes. I adored this book. Everyone needs a Xander. Thank you Anne Mercier for this absolutely wonderful story.

---

### **Brina Thompson says**

#### **Holy feelings batman**

All the feels, all throughout the book. So many answers, so many more questions. Not gonna lie, I wanted to skate so many of these characters at different points in the book, but as usual, Anne has a plan and it works so well. Truly in awe of this whole story! I CANT WAIT for the next installment for the rockstar family. . . . and I'm still waiting to see if maggie and trace get a book of their own, or even separate if they don't stay together. who knows? All I know is, I'm not ready for this series to end ANY time soon.

---

### **Lauren says**

I have waited for what feels like forever for this book but it was well worth the wait. It was the perfect conclusion to Xander and Tera's emotional and heart-breaking story.

I devoured this book in one sitting and wasn't putting it down for anyone. I liked part one of Xander's story but I floved part two. I felt so many emotions whilst reading this book. The first half I found angst and emotional but the second half had me cheesy grinning throughout. I liked that this story changed my feelings on Xander and the band for a while. My heart went out to Tera and I hurt with her. I understood her anger and why she was hurt with the people she called her family. Don't get me wrong, I could tell that Xander, Jesse, Ben, Ethan and Kennedy loved Tera. Its just my eyes were opened to how selfish and self-absorbed they could be. I liked seeing Tera's journey. I liked that she tried her hardest to get better. Yes she had down moments but she was a fighter even if she thought she wasn't. What I didn't expect was for part of me to really dislike Xander at times. I still loved him but he played the hurt card yet he failed to see why Tera did what he did, Instead of holding on, he rubbed his rockstar actions in her face. Obviously that all changed when the second half of the story. My love for him returned full force when he decided enough was enough and fought for the woman he loved. I love Tera and Xander as a couple. They were perfect for one another. One of my favourite moments was when Tera came for Xander. She fought her fears and turned up at Casa falling down to get her man.

I liked that we got Jesse's point of view and Lucy's. I liked that Jesse and the band opened their eyes to Tera's hurt and how she felt by their actions. I still adore Lucy but I was a little irritated by her reaction to meeting Tera the first time. I understood why but I was a little disappointed in her. That being said, I liked that the girls opinions and attitudes changed towards Tera when they heard her and Xander's story. I like that they soon bonded with her and the Elvis hunting scene was cute. Overall, I loved this book and it was well worth the wait. I cannot wait for more from Anne Mercier and I cannot wait to read this book again. There is so much more I want to say about this story but I don't want to spoil this story for anyone yet to read it.

The storyline for this book is easy to follow and it is a nice read. I would recommend reading this book as part of a story. If not then at least read part one of Xander's story first.
