Saburo Uta

Citrus, Vol. 4 Saburo Uta

True Confessions

Ever since their first kiss, Yuzu can't stop thinking about Mei, her stern sexy step-sister. Now Mei seems to have done a total one-eighty, ignoring Yuzu at every turn and giving her the cold shoulder.

Yuzu can't understand why Mei is acting so distant but she decides to try and patch things up with her step-sis while on a school trip to Kyoto. However, she's not the only one who has her eye on Mei. Sara, a vivacious girl with boundless energy, happens to bump into Mei and falls in love with her at first sight. To make matters worse, Sara's twin sister, Nina, is willing to do whatever it takes to ensure that Sara gets what she wants. Can Yuzu fix things between herself and Mei, or will the twins break up their bond for good?

Citrus, Vol. 4 Details

Julieta Steyr says

La puntuación por series es directamente proporcional a los números de entregas que mantienen a los espectadores dándoles lo mismo de siempre. Esa sería la regla general en mi mente.

Este tomo es todo sobre la excursión e introduce dos nuevos personajes, ¿pero tiene algo de novedoso? Para nada. ¿Y lo que sucede compensa lo poco novedoso? Para nada. La trama decae cada vez más y más a medida que avanza, sin aportar novedades y siempre con los mismos conflictos. Ah, sí, sigue con hermosos dibujos pero nada más.

Manu says

Si pudiera poner el sonido de un suspiro hartito lo haría.

De nuevo otro rival amoroso cuyo amor desaparece al final del volumen. Y que seguramente no va a volver a aparecer tanto, lo cual es una pena porque al contrario de la vice presidente y la chica de los auriculares, Sara me caía bien y su hermana no estaba tan mal.

Mei sigue tan dura como siempre. Quiere o no quiere a Yuzu?

Sigo leyendo nomás porque dentro de todo es un yuri respetable, no hizo falta que se la re violaran a Yuzu para que esta se enamorase.

Hubo un avance bastante grande (eclipsado por el hecho de que de nuevo metió rivales) esperemos que en el próximo volumen estén las cosas más claras con Mei y se dejen de romper las bolas con esto de que son "hermanas" (hermanastras...) y hagan cosas de pareja de una buena vez.

Morticuna says

I didnt want to write a review

MC says

Volume Four of this great manga finally, *FINALLY* ended up with a big step forward. It happened with a unique conclusion though. We see that the major resolution Yuzu made in an effort to help Mei was not wrong so much as taken too far. We also meet new characters whose main use is to screw up Mei and Yuzu's relationship. *Sigh*

Okay, the art was beautiful as always. Yes, I know I critiqued it early on. But that is because I was so awed by the sort of "brush-stroke beauty", if you will, of some other manga that I discounted this one. The art here really is exquisite, and show great details, both for the characters to show them beautiful, dignified, so forth, and also for comedic moments.

I am so excited at the developments coming on, but hope Sabuto after this point spends some time on something other than new characters solely for the point of coming between the two girls. After two volumes

of this, it gets annoying.

Can't wait for the future volume in a few months.

Rating: 4.5 Stars.

Fugo Feedback says

Todos los capítulos de este tomo están dedicados a plantear, desarrollar y resolver un conflicto que se podría haber contado en la mitad, sobre todo teniendo en cuenta lo predecible del final.

Aun así, los personajes se siguen haciendo querer y el dibujo es tan bonito que la lectura resulta de lo más grata igual.

Ahora, a esperar otra eternidad hasta el tomo 5, me temo.

Lenni? (WhenimetaBook) says

3.75/5

Casey Anderson says

I feel like we are getting to know the side characters better than the main characters. I'd like a little more in depth of Mei and Yuzu. I feel like I don't know them any better than I did in say, the 2nd book. Still...it's enjoyable.

Dony Grayman says

Tomo 4 que complementa la tapa (y el lomo) del 3. Traduce los capítulos 13 a 16 más el extra Citrus+4

Amber says

wow. I'm getting more addicted with each volume.

Elaine says

Eeeeeek...I really liked this, especially the ending. But I enjoyed the anime version more...so only 4 stars.

Mark Evans says

Well, this has really turned around from its first volume. Those covers are ridiculous but it's getting a lot better and what looks like a total rehash of last volume goes in an interesting direction. Not the best yuri ever, but better than you'd expect.

Tatiana Pérez says

Está claro que, aunque la historia se alargue un tanto, estoy bastante enganchada a esta serie.

En el cuatro tomo aparecen Sara y su hermana Nina con más problemas para la relación entre Yuzu y Mei, o eso parecía al principio. Me gustan las dudas de las protagonistas, ya que las hacen más humanas, y que siempre tenga un lugar especial en la serie la amistad con otros personajes.

22vels says

A pesar de volver a introducir personajes que solo sirven para acentuar la tensión durante un par de capítulos para no volver a aparecer en toda la saga, el tomo 4 de Citrus consigue volver a su línea tras el bache del tercer tomo.

Alexandra says

super angst and drama filled but i can't stop reading it.

do i agree with the relationship? no.

do i understand it? no. (because besides the fact that these girls are step-sisters it was also completely insta-love with NO background or basis for the ~feels~)

i think i'm so fascinated because i want to figure mei out (even though i'm afraid of what lies beneath her cool exterior).

also, the tension is at times too much and in the words of cogsworth from beauty and the beast, "if we're going to do this, then let's do it." lmao

??

James DeSantis says

Citrus remains my guilty pleasure and a fun way to close out my 2018.

So what's it about? Well, we know already. Two sisters now living together and falling for each other. Don't

worry though, they are Step-sisters. If we can accept it in game of thrones and real brother and sister, this should be easier to digest. This volume mostly revolves around Yuzu finally getting brave enough to tell Mei how she feels. This time though she might have to break her friends heart, who she finds out, is also in love with mei. A three way triangle? WHAT WILL HAPPEN!?

Good: Listen, half the readers reading this want to see the two hot girls kiss, so you do get some of that. The comedy hits actually more often than not. I mean it's cheesy and silly but it a cute way. I also thought the time when they finally decide to go out was like a "fucking finally' moment.

Bad: The art is great except for the character designs. I can't tell who is who half the times, and it makes it hard to keep up with who is who and their situation. I also think the whole volume could have been done in two issues instead of 4...

Overall, cute and fun as always. The sexual scenes are the big driving factor but the character development starting to grow and the humor are actually fun. Well, on to the next. A 3 out of 5.
