English for Banking and Finance is part of the Pearson Longman Vocational English series. It is designed for students in vocational education and for company employees in training at work.

Level 1 is designed for students with a basic knowledge of general English who now require an elementary (CEF level A1 - A2) English course in the specific field.

It includes:

\*topics that reflect the latest developments in banking and finance making them relevant to students needs

\*clearly defined language and function objectives which are backed up by comprehensive on-the-page language boxes

\*essential online support for teachers including teacher's notes, fully editable tests and multi-lingual glossaries

\*student CD-ROM with interactive glossaries in both British and American English and full course book audio in MP3 format
