**History of Art: The Western Tradition, Vol 1** H.W. Janson , Penelope J.E. Davies , Walter B. Denny , Frima Fox Hofrichter , Ann M. Roberts , David L. Simon , Joseph F. Jacobs

*Rewritten and reorganized, this new edition weaves together the most recent scholarship, the most current thinking in art history, and the most innovative online supplements, including digital art library. **Experience the new Janson and re-experience the history of art.***

Long established as the classic and seminal introduction to art of the Western world, the Eighth Edition of *Janson's History of Art* is groundbreaking. When Harry Abrams first published the *History of Art* in 1962, John F. Kennedy occupied the White House, and Andy Warhol was an emerging artist. Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view. *The History of Art*, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson's *History of Art* helped to establish the canon of art history for many generations of scholars. Chapters 1-13.

## History of Art: The Western Tradition, Vol 1 Details
