### **Cinnamon Spark says**

The last pages were pure bliss.

---

### **Andreea says**

Ma babies!!!! MA BABIES!!!! I LOVE THIS SERIES SOOOOO MUCH

---

### **Jess says**

Aw this was so happy and cutesy, that's so rare in this series lately. Also, hazel is growing up so fast and I legitimately feel like a proud godmother, my precious baby, I'm so proud of the beautiful girl.

---

### **Andreja says**

This chapter was absolutely wonderful.

---

### **Razan says**

**This is not the end, people!**

---

### **catt ??\*? says**

this one's a bit boring man

---

### **Dee Villarreal says**

This issue is the last in this volume and it was so short. Not really satisfying for an ending either. Issue 47 also wasn't too stellar. It's just a repeat circumstance of people wanting to seek out Alana and Marko. I'm getting the feeling that they don't exactly know where to take the story. I'm not sure when the next will be released but hopefully it has direction.

---

## **Gary says**

Ugh. Another hiatus. Sobz

---

## **Wilvur7 says**

Sweet ending, beautifully wrapped with a pretty ribbon on top  
Boy, the next arc is going to fucking destroy us, isn't it?  
Anyways, this flew by, i loved every single second of it, and I've decided I prefer to read them this way, waiting for a while for the whole thing to come out to devour it in a single afternoon.  
This comic is in my life to stay, and I'm excited to see what comes next

update two seconds later:  
waiiitt february? THATS SO CLOSE. FORGET EVERYTHING I SAID ABOUT WAITING

---

## **Tara says**

such a feel good ending.....but now the wait begins.

---

## **Claudia says**

Another story arc comes to end but, at least, it's one of the few which has a positive feeling about it. There is a reunion, some old friends make a comeback but also a lot of questions remained unanswered. I'm eagerly waiting for the next.

---

## **Adam says**

And the band is back together. I swear, this ever-growing family is the best. Love.

---

## **Amanda says**

Sure a beautiful end to this arc.

---

## **Saga Norén says**

I thought the worst just coming..I scared to read the death of Ghüs. I have to say that the ugly monster which he fights against was... It's that a monster? Really? Ugly, ugly..the brother of Mars Attack aliens. hahaha

---

**Mitticus says**

Meh.

Not even the reunion can live up this one.

Nor the sort of cute of squire.

---

I feel a bit afronted in the implication that you can reeplace a person -specially family- so easily.
