Trained as a knight, yet sworn to the monastery, Reynold Welles had always lived by a strict code of honor. Yet the night he rescues beautiful Lady Katherine Berkeley from a treasonous kidnapper and an arranged marriage, he is captivated by the power of her enchanting loveliness. As she trembles within his protective embrace, he knows she is unaware of the fire she has ignited within him--a passion that burns with greater fury each day.

Though he is powerless against her innocent sensuality, Reynold is duty bound to bring the lady to the king, whose life may depend on the secret she holds. Yet when the dark knight discovers that Katherine is to be married, he is torn between doing his duty... or claiming Katherine as his own.

### **Elle says**

This is great for an early work in a writer's career. I love Medieval stories, and Callen does a good job with her history, for the most part.

### **Maura says**

This story is so delightfully angsty. For reasons pertaining to his past and family, Reynold enters a monastery where he rescues a betrothed Katherine from a kidnapping. He agrees to take her to the king (and these two keep secrets from each other all the way). Along the way they find love, lust, betrayal (by self, each other and others) and a lot of angst! I liked this book quite a bit, and I felt for the hero and the heroine - desperately yearning for their happy ending. A very emotional roller coaster.

### **Julie says**

I enjoyed reading this book as I hadn't read a book by this author before. I liked how she portrayed Reynold's struggle between his attraction to Katherine and his duty to the church. I also enjoyed the twists in the story and how we are kept guessing who the bad ones are.

This was an okay read. There were a few inconsistencies that bothered me.
