The Nanny's Texas Christmas (Lone Star Cowboy League: Boys Ranch) Lee Tobin McClain

The Cowboy's Christmas Family

As foreman of the Lone Star Cowboy League Boys Ranch, single father Flint Rawlings knows all about troubled kids—he just never imagined his son to be among them. Logan needs more looking after than Flint can provide, so he's relieved when the boy's teacher, Lana Alvarez, agrees to be his nanny over Christmas break. But having Lana nearby sets Flint on edge. He'd vowed never to let another woman get close after Logan's mother left them, but Lana fills a hole in their lives Flint didn't know was there. Can he embrace love again and grant Logan his Christmas wish: a new family?

Mary Baker says

The plot development in this novel was a bit slow for me, and the interaction between the two main characters wasn't developed well either. I will say the author does write well and had one scene that had me laughing out loud.

Harlequin Books says

received 4 stars @ Harlequin.com (as of 01/18/17). To view reviews, go [HERE](http://www.harlequin.com/storeitem.ht...)>

Miniseries: Lone Star Cowboy League: Boys Ranch

Linda Rainey says

What a wonderful Christian romances out Flint and Lana.
I loved the setting of the Boy's Ranch at Christmas.
Thanks for another great romance,one that I highly recommend.
I was gifted a copy of the book and My opinions are my own.

Donna says

Good book. I enjoyed reading it.

Janice Sisemore says

The Nanny's Texas Christmas

Flint has a young son that his current nanny quit. Lana is a school teacher that agrees be Logan nanny during break from school. Lana is having a play at school and flint agrees to help, love the children and their ideas a questions they have. I was given a copy of this book from the author for an honest opinion. Loved it a lot, this is part of a series but can be read as a stand alone. This is part of Love Inspired which are really good books. I have also brought a copy of the book.

Melanie Snitker says

I've read a lot of Love Inspired books, but I often find they lack in a strong, Christian theme. That isn't the case with The Nanny's Texas Christmas. Lee Tobin McClain has written a story that illustrates God's love in our lives and how He's there with us as we walk through the tough times in our lives.

I enjoyed seeing how God takes Flint and Lana from their pasts filled with hurt and leads them to a future of hope and new beginnings.

The Christmas-aspect of the book was wonderful, but it was one of those books you could easily read any day of the year.

I will be looking for more from this author.

I received a copy of the book from the author. I chose to write a review on my own and all opinions stated are my own.

Alisha says

love this series

Tiffany Lake says

very good book to go with the series.

Cathy Daniel says

I don't know why Goodreads has this messed up but I scanned the barcode and read The Soldier And The Single Mom.

Such a great book! Loved the characters, including the elders of the town, love the town and the history aspects. I teared up at the end. I need to read all the rescue river books!

Tahleen says

Another nice, quick read, like a Hallmark movie in book form. Writing wasn't the best, but it wasn't terrible either, and the story was sweet. I appreciated reading about a non-white protagonist, too.

JoAnn says

The Nanny's Texas Christmas is a great Christian romance. The book is well written with a good storyline and believable characters. You can not go wrong with a book by this author. If you enjoy good clean fast reads I recommend this book.

Bonnie says

The Nanny's Texas Christmas by Lee Tobin McClain is the third book, by different authors, in Lone Star Cowboy League series. Another very good book in this series. This is about the youngest brother Flint Rawlings. He has a six year old little boy, Logan. Flint is the foreman at the Lone Star Cowboy League Boys Ranch for troubled kids. Continued in this book is items being missing from different ranches and a couple of the local who want to close the ranch are blaming the children at the ranch. Avery comes to town claiming to be a grand daughter of the deceased ranch owner who left the ranch to the Lone Star Cowboy League Boys Ranch. They are not sure if Avery is a real grand daughter or not. Lana Alvarez is a first grade school teacher. Logan is in her class. Flint hires Lana to take care of Logan after school and during Christmas break. Sparks fly between them. Logan has his little issue at one point. A very good read. Looking forward to the next three books in the series.

Kari Trumbo says

A sweet Christmas story set in Texas. Two hearts are scarred by past hurts, but the beauty and caring of Christmas bring these two stubborn people together and when they do, their scars match up to form a perfect whole.

I would definitely recommend this book to all readers who like a quick sweet romance that will leave tears in your eyes by then end. I loved the characters and setting. There is just enough intrigue that you will want to read the other novels in the Lone Star Cowboy League series

I was given this book in order to review it, the views expressed are my own.

June says

Lana was such an amazing teacher, loving the calling to teach children. And Flint was an interesting character. His little boy Logan was quite the handful. Never a dull moment with that boy around. More evidence that something's not right with inheritance of the ranch. And the ancestor of the original ranch creator is quite the pill. I want to strangle him!!!!

Courtney says

Apart of a series involving a boy's ranch. I hope that you are not thinking, trouble makers, because these boys have had more hurt than everyone has ever thought about. Each novel in this series is wonderful in it's own way. Through love and dedication, everyone always deserves a happy ending.
