Can't Trust these Bitches Nicole Jackson

Randi's fine and she knows it, and she makes sure that everyone around her knows it too. She and her, best friend and roommate, Aaron have always been friendly rivalries. It was all fun and games, until a wickedly handsome Keyon enters the equation. He's smooth, suave, and debonair, just Randi's speed. The problem is that Keyon's a natural chick magnet, and Randi soon realizes that she's far from the apple of Keyon's eye. Still, she's up for the challenge of making Keyon her man. He's fly and flashy, and that's exactly what Randi loves about him. Aaron, on the other hand, feels that a guy like Keyon can only offer two things; money and pipe. She feels that her girl is an absolute fool for pursuing a man such as Keyon, but for the life of her she can't understand how he manages to get her panties wet. Curiosity gets the best of her, and she finds herself tangled in Keyon's alluring web of sex and scandal. Situations gets sticky and there's only one thing perfectly clear: you just Can't Trust these Bitches.

And for anyone who enjoyed Hold It Down: Like Sister and Brother there's an eight chapter sneak peek of another book titled: The Other Side of the Sheets: Tyra's Story.

Can't trust these bitches

This was a good book. Even though it stopped at 66%. Aaron and Randi are best friends, that is until Keyon comes into the picture. Can't wait to see what happens next.

Chanell says

Can't wait for part 2.

Deedee Henson says

Real pissed that the story ended at 68%.

This was a good read and lot of intertwining within in friendships. I like Aaron and Key together because she challenges him and don't take his sh****. Can't wait to read pt 2 .

These Hoes ain't loyal.

Nicole Jackson is by far one of the best author in the game and she's real. If u have a question or comment she'll answer you. She's not star struck and that's going to take her far in this game. Can't trust these bitches is another 5 star book for the author Jackson, and all I'm a say is Keyon has a swag that would drive common hoe insane.

Shanie B. says

Loved it! Aaron and Keyon are so cute together. I felt no pity for Randi because she was just as messy with her doings. Ms Yana was funny and truthful. I cannot wait for the sequel. Keep up the good work.

Nicole says

Maya Gibson says

Good read

Both stories left me wanting more but I enjoyed reading this book. Both of the main characters were trifling

for what they did. I can't wait to finish reading about Tyra and Jahrein

CTTB was highly entertaining and enjoyable to read. I kept thinking whats gon happen next after each chapter. It was just that good. The main lead male and female characters were well developed and involved in real life compromising situations that left me reeling. I must say this was some serious food for thought!
