Crowns of Rust

Daniel Arenson

Crowns of Rust Daniel Arenson

The noble House of Sela is shattered. Its five children, once heirs to a bustling port, are scattered around the Encircled Sea. Their kingdom, the ancient land of Zohar, lies in ruin following a devastating invasion.

As the dust settles, new fires kindle.

In a shattering world, the pieces are up for grabs. Here fleets clash at sea, and desert warriors battle among dunes and ancient ruins; cloaked conspirators gather in shadowy alleyways, vowing to slay their emperor; and a girl seeks the magic of light beyond guardians of shadow. In a land of sand and splendor, glory will go to those with the sharpest steel and the hardest hearts. One war has ended. Now the world will burn.

When the Encircled Sea storms, kingdoms are no sturdier than sandcastles. Rulers and rebels battle for golden thrones, but will they find only crowns of rust?

Peter Carlstrom says

Breathtaking

Brutal, gory, violent but at the same time deeply romantic, touching and magical story of 2 families - one torn by war and defeat and another one of tyrants in-fighting for power and conquest. The magic is present throughout the story throwing off the best plans and schemes. Highly recommended.

Jodi says

Complex, Epic

This story twists and turns and takes the most unexpected paths. The characters are so richly developed. The series is a super good read so far!

Angel Haze says

I don't know why I bought one book at a time. I love this series! I'm blazing through each book as the plot thickens! This book kept me on the edge of my seat and was even enough to distract me during the beginning stages of labor!

I love seeing the world from the different points of view, watching each character's struggles, wondering where Arenson will take them next!!

Deborah says

What a fun read. I am ready for the next one!

Conor says

Excellent world building with a good plot, but the villains' evilness is bordering on absurd.

Nancy Phy says

Fascinating story

I was wowed with the first book but I have to say that book two is even better. If you like great characters and a fantastic fantasy then you will enjoy this saga. I can't wait for book three and have preordered it.

Rick says

THE story is getting more interesting to follow. THe first book kind of lost my attention with all is describing of everything. The family has gotten broken up during the war with each having their own path to follow. I imagine it will get more intense as the family comes closer together in the future books.

Alon Shalev says

As good as the first.

aaron watler says

Reminding me and more of game of thrones

As good as the first installment, easy read with dead characters including several strong women. Can't wait for the next one.

Jeffrey A. Dewey says

Twists and turns

An epic drama brought to life. The treachery and evil fight the righteous and light. The desert, the sea, the metropolis intertwine to create the intrigue and action.

Bill says

An excellent fantasy series that (almost) feels like histories remembered.

Gay Deputee says

The saga continues

In this second book, we get more familiar with the characters and story. We get to deal more with the results of a war, the victory and the defeat that follows. I feel much more invested in the second book than i did at the end of the first book, much more anxious for the 3rd book now.

Beverley says

I loved this book , it drew me in to the storyline very quickly,love the characters, a fast paced story , I am looking forward to the 3 book in this series. I am so glad I came across this series , as I love fantasy and a good storytelling, well done Daniel Arenson.

Liz C says

Really good

The second book of the series and it's a good one. It follows straight on from the last one and develops the characters nicely. It's fast paced and is not afraid of killing off major characters. Just downloaded the next one.

Marije says

I like this second book even better than the first!
The characters evolve, they grow on you and you get to see another side of them.
The book is action packed, so many things happen at such a fast pace.
And the end.... I can not tell without spoiling, but jeez!!!! :)
