### **Claire says**

Why in the world do I love this book so much? Maybe because of the casual references to British royalty. Maybe it's because it's Canadian. Nevertheless, I love this book.

I read this as a kid and really enjoyed it. I wanted to be an Olympic rider and Mousie getting to ride in front of the Queen was just the coolest thing ever, I thought.

It's nice to read something from a local talent. I met Shelley at a book-signing here in Ontario, and her farm is just half an hour away from where I live.

There's nothing like a good Canadian horse story to warm the heart.

### **Laura says**

This was one of my favourite books growing up and I've read it many times and still read it today as an adult. It's just perfect.
