Kinsale Kisses

Elizabeth Maddrey

Kinsale Kisses Elizabeth Maddrey

She wants stability. He wants spontaneity. What they need is each other.

Colin O'Bryan cashed out of the software company he founded and started a new life in Ireland. Content to wander from town to town as a traveling musician, he had no goals beyond healing from the betrayals that led to his career change, and finding his next gig.

After the death of her parents, Rachel Sullivan hoped her aunt's B&B on the Southern coast of Ireland would be a place for her to settle and start a new life. Though she can't deny the sparks in Colin's touch, his lack of concern for hearth and home leave her torn. Can this free-spirited minstrel win her heart or will Rachel choose roots and stability over love?

This gentle inspirational romance will take you on a journey to Cork County, Ireland and give you a glimpse of Kinsale, Charles Fort, Blarney Castle, and Cobh as Rachel and Colin undergo their own journey of self-discovery as they learn that God's plans are bigger than their own and that waiting on Him is worth the insecurity it brings.

From Reader Review Kinsale Kisses for online ebook

Melanie says

Kinsale Kisses was a cute novella. I liked how it was set in Ireland. I didn't really care about the romance or main characters, but I liked the B&B aspect and the secondary characters were fun.

All in all, I liked this book. I don't see myself rereading it, but it was a good one time read.

C.J. Brightley says

I don't normally read romance, but I enjoyed this Christian novella. The characters are sympathetic and deal with real questions, and the romance is clean and sweet. The Irish seaside setting was very enjoyable - the author pulled me in right away. The editing was excellent, too.

Kinsale Kisses could have been a novel, but the shorter form was still satisfying. I will be reading more from this author!

Sarita says

This was a sweet cute novella. It was a bit predictable with regards to the romance but I enjoyed it. The length was just long enough to enjoy the story.

Shari Howe says

Fun, Short Read

I've never read a book where the story takes place in Ireland, but this one made the places and scenes come alive. Elizabeth Maddrey did a great job describing the locale in such a way that I could picture the beautiful green countryside and the places of interest the characters visit. Her characters are genuine and believable, and make you want to share in their lives. Free spirited Colin, stable Rachel, an elderly aunt and her friend create a well written story with subtle inspirational undertones. I read this in one afternoon and didn't want to put it down.

I was given a copy of this book in exchange for my honest review. I highly recommend this book and know you'll enjoy this fine author. I have enjoyed several other books she has written.

Aerykah says

This was a very quick read. Okay, but not great. I wasn't really happy with the ending... It was pretty good, though, and I wouldn't mind trying another of her books sometime.

Ann says

This was such a fun read. I loved the characters and enjoyed their journey to discovering the happiness and contentment that comes with trusting God with the future. I also loved the fact the story takes place in Ireland and the author really makes you feel that you are experiencing the country with the characters. This is the first book I have read by this author, but I will be reading others by her. This is a book that I definitely can recommend.

Laura says

Cute romance.

I loved the descriptions of Ireland. It felt like I was there, and it made me want to visit.

Fun, short read for fans of Christian romance.

Treena says

Nice

Sweet story about a girl who goes to Ireland with her plan to help her aunt run a B&B and ends up falling in love.

This was a quick read. I wanted a bit more story length because I enjoyed the characters.

Susan Snodgrass says

This was a nice novella, 106 pages. Rachel heads to Ireland to visit her aunt after both her parents die. She intends to help her aunt run her bed and breakfast. She goes to a pub one night with her aunt and meets a traveling singer/musician. She is immediately drawn to him, but her practical nature thinks a person should have a job and a purpose.

Colin is also drawn to Rachel and wants to be with her but she keeps pulling away, not understanding why he doesn't have a full time job or is unconcerned about his future.

The lesson here is that God is always in control. We can plan, but we must allow God to take care of us and not live in fear or worry.

I was provided with a free copy by the author in exchange for my honest review.

JoAnn says

What a fun read. The book is set in Ireland and the author makes you feel as if you have been transported there. A great cast of believable characters. The two main characters are attracted to each other but have totally different personalities. Can it work? Read the book and find out. If you like a good clean Christian romance and enjoy an escape to faraway places I highly recommend this book. I was given a copy of this book for my honest review. I can truthfully say that I loved it.

Margaret Nelson says

I've never been to Ireland, but the descriptions in this book made it very appealing. I enjoyed reading it. My only complaint is that the story ended kind of abruptly - I prefer stories in which there's a little more closure after the guy and the gal recognize they really love each other :-)

Kathy Heare Watts says

FINDING LOVE AWAY FROM HOME

I adored this story of Colin O'Bryan and Rachel Sullivan. Collin was traveling all over Ireland, playing in pubs and enjoying life after his business was sold out from under him. Rachel is dealing with the death of both parents, having to give up the family business and trying to find herself and stability. The storyline kept me captivated and the dialogue was heartwarming. I was impressed with Colin keeping God in his adventure and helping Rachel see that God is still listening to her prayers. The sites and culture of Ireland was an added bonus to this story. "Don't focus so hard on what was or you'll lose sight of what could be. You don't want to end up looking back over your life with regrets."

Disclosure: I received a copy of this book in exchange for an honest review. All thoughts, opinions and ratings are my own.

Sherri says

Fun adventure!

I've always wanted to visit Ireland and this book was a great substitute trip. Colin and Rachel were both personable and charming. Kinsale Kisses was a quick and fun adventure.

Alexa Verde says

Kinsale Kisses is an inspirational romance with a great message. The part where Colin tells Rachel that God always listens, even when we think that He doesn't, really touched my heart. I've never read a novel set in Ireland, and the author does a great job describing different sightseeings, sometimes with a touch of humor. Frankly, I don't think I'd do what it takes to kiss the Blarney Stone! The characters of Colin and Rachel are well developed. This is one of the classic cases of "opposites attract." She wants a plan, stability, and a place she can call home. He seems content traveling from town to town and singing for his meal. After his girlfriend Jessica decided she didn't love him anymore and proved it well by making a deal behind his back, Colin figured he wasn't good at relationships. But Colin and Rachel can't fight their growing attraction to each other... I liked how Colin helped Rachel grow in her faith. I recommend this book.

Kristina says

Kinsale Kisses by Elizabeth Maddrey is a sweet Christian romance. Rachel Sullivan is at loose ends since the passing of her father and the selling of the family business. Rachel has always been in the hospitality business helping her father manage their cabins until she had to sell them to pay off medical debts from her parents. Rachel decides to travel to Kinsale, Ireland to visit her Aunt Siobhan. Siobhan runs the Sea Haven B & B and Rachel is hoping to help her run the business. On her first day in Kinsale, Rachel visits The Flat Tire, a local pub, run by Patrick and runs into Colin O'Bryan. Colin has been traveling around Ireland playing music in exchange for a room and meals. Colin and Rachel feel an immediate attraction to each other. Patrick and Siobhan work to make sure that Colin and Rachel keep running into each other. This is a sweet story. I enjoyed reading it and look forward to more books by Elizabeth Maddrey.

I was provided a complimentary copy of this book by the publisher in exchange for an honest review.
