Chie Shinohara

Red River, Vol. 12 Chie Shinohara

Kail's forces are triumphant in Alinna. Back in Hattusa, the victorious prince is declared the new king of the Hittites, even as Yuri uncovers a web of subterfuge woven by Queen Nakia that threatens the entire Hittite empire. Making matters worse, the neighboring nations of Arzawa and Ugarit have launched a two-pronged attack that compels the Hittites to field two countering forces--one led by Kail, the other by Yuri!

Brianna says

very good.

Soobie's scared says

Eppure sembrava che Uruhi ci avesse finalmente lasciato le penne... Invece niente! L'erba cattiva non muore mai. Certo che, tra l'altro, la regina Nakia non ha ancora sofferto alcuna perdita, mentre Yuri e Kail hanno una lista di persone che sono morte per loro lunga da qui a Roma.

Kail è finalmente diventato imperatore e durante la sua incoronazione, il popolo non faceva altro che invocare la dea Ishtar. La povera Yuri, nel frattempo, ha deciso che tornare in Giappone è la scelta migliore da farsi. Così potrà dimenticare Kail. Dal canto suo, Kail fa fatica a trattenersi e cerca di costringere Yuri a cedergli con la forza. Lei, poverina, urla e strepita che non vuole ma nessuna delle ancelle presenti a palazzo vuole inimicarsi l'imperatore. E stanno a guardare. Solo Hadi ha il coraggio di intervenire e di salvare Yuri.

Certo, Yuri lo perdona (??, OK si è fermato ma caspita!) e si prepara a dirgli addio. Lui non si spreca nemmeno a scusarsi..

Holly says

Wonderful story, beautiful artwork, and great characters.

Lauren says

What first drew me to this series was the romantic historical aspect. I loved how a modern day girl gets pulled back into the past. I don't know what it is about those stories that attract me so much, maybe it is the difficulty for the girl of fitting in and having to rely on the guy so much to be able to get along in the world.

I would really recommend this series to fans of Inuyasha, it has a lot of the same concepts.

Sharon Schisler says

ok.... ive just about all of them so im not gonna list them all.....

Lexie says

Welcome to Book 12! I was originally going to give this a three star, because Kail is DEPLORABLE in this book, but then Yuri was like 'I pwn you all with my mad deductive skillz' and I thought she deserved an extra star for that.

So Kail is Crowned--wahoo! Way to go! Now for a million different marriage offers (literally, the library keeper feared for his assistants lives because there were so many clay tablets) and Kail wants no one but Yuri. Which he then tries to force the issue with. Ilbani (and Kikkuri for that matter) in a rare moment of betrayal of my feelings were ready to stand by, but Hadi would not let it stand! She helped Yuri and took her away while Kail had a moment with Ilbani (who pretty much saw through what he was trying to do--which was so everybody would hear that he had a falling out with Yuri. I cling to this hope like you wouldn't believe).

Meanwhile they hire some new maids and such and aren't they just so HELPFUL and GRACIOUS and SWEET towards Yuri? After giving her strawberries and getting her drunk they introduce her to a HUMBLE servant who has MANY questions.

Yuri pretty much sees through that shit and gets the job done to get rid of them.

And Urhi is making trouble for everyone in a rival nation because of reasons. He looks much better with only one eye let me tell you.

Melissa says

I love this series! It is so much fun to see a manga series that takes place in a non-Japanese setting. And Kail and Yuri are so cute together! I hope Yuri decides to never go back to Japan and just stay in the Hittite empire for the rest of her life. :)

Sarah Evans says

This series is starting to wear thin since the characters are not changing their bad habits and the plot is getting repetitive.

Beth says

Loving this series so much!

Alexis says

I found this series on a mere coincidence but it quickly became one of my all time favourites. I read the entire series in 1.5-2 days. It was truly wonderful and a joy to experience.

Madeleine Davies says

It suckes.
