## **Reluctant Mate 2** Eden Cole

The police say what happened to his brother was an animal attack, but Cameron knows differently. With an experimental drug in his body to make him a wolf shifter, he travels to New Orleans to find the people responsible for killing his brother. What he finds is a love he cannot deny, but how can he accept Mato as the man for him when Mato's not human, and he might have murdered the only family he had.

## From Reader Review Reluctant Mate 2 for online ebook

### MsMiz (Tina) says

This book was disjointed, messy and complete plot lines were just thrown out there to the point of making no sense. This story did not work for me at all.

---

### Timeforme says

This is a very short story (as is Reluctant Mate) and there were parts that were a bit disjointed I think because the author was trying to get so much in to a short page count. Regardless, the characters were interesting and the story was enjoyable.

---

### Hc says

[First of all... I don't see any RELUCTANCE in this book. All it is, is JUST a sequel and poor at that. Cameron is already gay, being in a somewhat relationship at the beginning of the book. Mato (who is a liar) has no qualms about gay sex. Also, I thought the whole shot thing to 'be a shifter' was poorly done. If Cameron was given a shot to 'turn' into a shifter, it should have been permanent, otherwise I don't believe he should have b

---

### Morgana says

I was not going to read this. Really. I was not. And yet... I did \*sighs\* To cut a long story short this book is TOTALLY fucked up. And one of the MCs is an absolute shameless liar. It's either this or the author forgot what she wrote at the beginning of the book:

*"I suppose if you got more excited, you would give off a stronger scent in your own way." The wonder in his expression drew a certain suspicion in Cameron.*

*"What are you curious about?" he asked.*

*Mato stared at him as if he wondered how honest to be. "I've never been with a man."*

So, Mato says he has never been with a man. And the wonder in his voice indicates he's being honest. So how come he later (at 78 %) admits (view spoiler) WTF is going on?!?!

DID. NOT. LIKE. IT. Not one little bit.

### Less than 1 star

---

### **Chris says**

Meh short paranormal m/m romance about a guy who, aided by a drug that makes it seem as if he's a shifter, vows to hunt down the wolf shifters who killed his brother.

---

### **Mona says**

Oh...you want a review about this book? Well, here it is...

---

### **Betzacosta Betzacosta says**

Después de leer el primero no pude dejar de leer la serie, aunque sin duda, el primero fue el mejor

---

### **Kelly H. (Maybedog) says**

I'm not sure what this has to do with the first one, why it's a series.

The MC is an ass.

From the way he held himself, confident yet kind, he appeared to be one hundred percent male and probably not gay.

What?? God how offensive.

Oh this is so bad. Telling telling and at points that it is completely unnecessary to supply the information. Like Mato is by his bedside helping him with his confusion and pain and the name Cain comes up. He then goes into detail about who he is and his growing up, the fact his mom was a slut, etc., very odd.

At the beginning he said he'd never been with a man but now he had been another man's mate? Yes and he and that man had had sex. OK this is worse than twilight. 1 star

---

### **Meganjoy says**

I was if'y because the reviews said that mato lied to cam about being with a man before or that the author completely forgot what she said and later changed it but after reading it I don't see how people didn't understand what happened ... After mato said he had never been with a man before the next line is cam saying he could tell from his scent he was lying and later it's said the reason why mato was curious about cam was because he smelled like his brother who was his mate and that's why he lied because he didn't want

to tell cam and scare him away right away

---

### **CrazyMoo says**

3.5

---

### **Susan65 says**

I just wish it were longer. Would have loved to see how Cam dealt with Owen after he found out the truth.

---

### **Rose says**

This book was awful. I had such disdain for Mato that I couldn't read beyond chapter 2. I didn't like how he treated Lucas in his own home. Cameron should have stayed in D.C. with Owen. Prior to reading the first book in this series, and attempting to read this one, I had never read any books by this author. I'm sorry to say that I wasn't missing out on very much and will not be reading anymore books by her. I wouldn't recommend this book to anyone.

### **Stacey Jones says**

#### **Different types of mates**

I really liked this book because it shows that opposites really do attract. Cam finds his on way into love by saying goodbye to his brother he only thought he knew. Great twist.

---

**Tina says**

What a waste of a beautiful morning!!

I don't know if it was the author sleeping or the editor but how this book got published I'll never know.

I would like to know how in the beginning of the book Mato said "I've never been with a man." Then three quarters in he admits (view spoiler)

That not only had he enjoy sex with Cam's BROTHER, he had been mated to him. Someone is NOT reading these before they are published!
