The bookstore smash-hit returns for a brand-new story, picking up the threads from the most recent bestselling Rivers of London novel, The Hanging Tree.  
“Plenty of action and intrigue, with a splash of dry humor and witchcraft.” – Word of the Nerd  
“It’s engaging, thrilling and has just enough of that real world work spliced with the magic/supernatural elements to make plausible and fantastical at the same time.” – Reading with a Flight Ring.  
“9 out of 10” – Graphic Policy
