Autumn's Kiss by M.K. Eidem

Autumn thought she knew who she was then she discovered she was a rare type of dragon shifter called a Supreme Dragoon. Now she is heading to her new mate's home world to meet more of their kind. Nerves were to be expected, but Autumn is about to get more than she bargained for.

Kirall always knew who he was, a Prime Dragoon, one of the strongest of his kind. He'd never doubted who he was or his place until he traveled to Earth and met her. Autumn descended from a line of Dragoon thought to have died out many millennia ago. Their mating changed all he'd been taught to believe.

Together they will face challenges neither of them expected. With their mating threatened and everything Kirall holds dear in jeopardy, it's up to Autumn to show who really is the baddest Dragoon of them all.

Relentless Fire by Michelle Howard

Rude

Sarcastic

Unbending

Three words which best described Varyk, King of the Green Dracol. Events in his life taught him to hold his heart back to avoid the pain of loss. To do so, he used his insufferable attitude as protection and it worked. Until fate came into play.

Fierce

Determined

Loyal

Inez is a soldier with the Black Dracol who has no problem saying what she means. Love and mating are for the distant future. Until an act of betrayal causes her path to cross an arrogant King.

Suddenly two opposing forces must find a way to work together to ensure the continuation of the hard fought peace between their kind.

Hmm

First book 2 stars.

The heroine was annoying and the dragon sex was weird. I did like the world and the idea of the story but the execution I didn't enjoy.

Second book 3 stars.

An okay read. Again, an interesting world, but the story didn't pull me in like I'd hoped.

Must read

I love m.k. Eidem's books. When I first read about kirall, I really wanted to see where the story went. I loved the fact that m.k. Eidem created another world to visit time and again. Her worlds are really awesome..

Michelle Howard's story is also great....

You won't be disappointed with this book.....

Enjoy

Two Great Stories!

I enjoyed reading both stories. M K Eidem is my favorite. Autumn has just discovered that she is a dragon shifter and she is learning more about what that means. These stories are exciting and I can't wait for the next books.

Heather says

I always like M.K. Eidem. There is just something about her characters and stories that I enjoy.

I was pleasantly surprised when I found out that both Michelle's would write sequels to the dragon shorts, Kyrall's Kiss and Rylin's Fire, in a past anthology.

Autumn's Kiss was good. It was nice watching Autumn gain self confidence. This is a good start to a new series that I will be excited to read more about.

Relentless Fire was good. I was glad that we got to catch up with Dara and Rylin. Varyk can be arrogant but

Inez is strong enough to deal with him. This series is going in an interesting direction.

Trial By Flame by M.K. Eidem and Michelle Howard
Autumn's Kiss-

Autumn's Kiss is the much awaited for sequel to Kirall's Kiss. The story begins where the first left off, Kirall and Autumn are arriving on Kirall's home planet of Mondu.
Autumn finds out she is a Dragon Shifter, the last from the strongest and highest level of Dragons. It was wonderful watching this female heroine gain confidence and grow into the fierce, smart, no nonsense Shifter leader she was born to become. Just as amazing is watching Kirall, the most alpha in his Dragoon world, accept and honor Autumn's higher position and growing strength.
More than ever Kirall needs protect his mate while at the same time letting her "spread her wings" as they face several difficult challenges now that they've returned to Mondu.
A quick, enjoyable, exciting and hot read. Highly suggest readers start with Kirall's Kiss. Ending a bit of a cliffhanger, hoping the third book comes out quickly.

Autumn's Kiss by M.K. Eidem: 4/5 stars
So glad that we are getting more of Autumns and Kirall's story. I hope we will be seeing more of their story in the future.

Relentless Fire by Michelle Howard: 4/5

Great book

I really enjoyed this book and catching up with the characters of both books and the new characters as well. I give this book 5 stars. I really hope there is more in store for us to read also.

LuDena Radford says

Amazing

This book contains two fantastic stories that continues their story lines . Read kirall and Rylins Fire first . Totally loved them ,looking forward to the next installments of both story lines.

C.J. says

Autumn's Kiss - I've been excited to read this since I found out that there would be a follow-up to Kirall's kiss. The story continued with the couple arriving on the planet Mondu. Some more good characters were introduced and I liked how Autumn remained a bit of a badass. Hoping there will be more to follow soon.

Endless Fire - Another good story. Good new characters introduced and familiar favourites returned too.

2 Great Authors

Both of these stories were captivating and held my attention until the end.

I believe that they are both the 2 books in their series. I would suggest that you read the 1st books before reading these stories. I did read the first books and while I think you can read these books alone, there is a lot of background knowledge and characters that it helps to know from the 1st books. It definitely gives you better insight to these books.

Both books have a wonderful story, great characters, and the ability to entertain. I can't wait until the next book in MK Eidems series comes out. I am a big fan of her warrior series, and now her dragon series.

I am also excited about this Michelle Howard series. I plan to go online and try to find more books in this series from her.

Linda Estes says

I have always loved M. K. Eidem but I think she out did herself with Trial by Flames!! She has taken Autumn to a new and dangerous world. With Kirall at her side she faces his family, who at first really don't like her and the dragoon council on Mondu, who want to control her. All the while she is struggling to learn everything about being a dragoon.

Kirall and his family while trying to protect her holds information from her because they don't want to confuse her. Which she finds out about little by little. But she is growing stronger by the day. And she will face everyone on her own terms. Can she do it is the question?

This is a must read book!!!! The characters are strong and every independent but work well together.

Cathy Sprouse says

Finally. And the wait was worth it.

We had to wait a long time for these two stories and I have to say they were great. Both picked up right where the first ended and doesn't miss a beat. You have the same characters and the story line carries on smoothly. If you enjoyed Rylin's Fire and Kirall's Kiss then you will enjoy these.

Betty Lambert says

Awesome book. There are 2 short stories in this volume and each one was a great read. Had a hard time putting it down. Lots of intrigue and still has passion between the two people. Autumn's kiss by M.K. Eidem is a continuing story of Kirall's Kiss in a previous book. The 2nd book you get to find out how the children are coming along in Rylin's Fire. I hope we get to see more to both of these stories to come from M.K. Eidem and Michelle Howard . Both are great authors and have almost all of M.K. Eidem books and lots from Michelle Howard. Highly recommend but would be good if you had read Bound By Heat which brings the first 2 stories .

Trial By Flame

This book had two stories in it , one by Michelle Howard , the other by M. K. Eidem . Both had strong personality in them . Both great storylines . You will love both stories they had love , drama , excitement .

Danielle says

I was over the moon happy about reading this book and it definitely gets 5 Stars. Just disappointed that this book was so short. I paid 4.99 for the book to end after 129 pages, which is 51% of the book. Then they start another story which I don't want to read. I thought I had 276 pages of "Trial By Flame." So I'm very disappointed because the first book was a complete book. I rather to have been charged half the price for my book because I never asked to read the next book.
