Whisper L.A. Brookes

Parker Steward is a werewolf on the prowl. Although his kind is supposed to mate for life, he and his friends have chosen a different path. Fate doesn't care about their plans. As his feral pack members begin falling in love and mating with humans, he knows it's only a matter of time before it's his turn. Thomas Maverick is everything a man should be--hard-working, smart, and sexy as hell.

Maya says

On the meh side for me.

Alina Neac?u says

Parker was content to hold his lover as they drifted in and out of sleep. Soft kisses turned to whispered words - forever.
