Wishin' 'n' Waitin' R.O. Lane

A Short Love Story

A young couple, Emily and Noah, fall in love, but he's so poor that they doubt they can ever get married. He goes his own way to find his place in the world. She's left behind still loving him, but eventually agreeing to marry another man. Noah thinks she's gotten married, and all his hopes and dreams are shattered. He doesn't know that at the altar, she couldn't say "I do." So Emily returns home to Durango, Colorado, and tires for months on end to find Noah, but she can't. She's determined that if she ever has another chance, she'll marry him in a heartbeat. A short story, about one-third book length, from R. O. Lane, writer of books of the Old West.

Susan E. says

Wishin!!!

What a great feel good love story. By the end of the book I (which by the way was way too short) I couldn't wipe the smile of my face. Well done.

D. E. says

A Western With A Twist: A Lifelong Love Story With a Happy Ending

RIO has written numerous westerns, mostly tongue in cheek, that has presented the good guy, bad guy, just like the early John Wayne movies. In this western take he tells the other side of a cowboy/miner who finds and keeps his mind for the sweetheart he had waited for all his life. This western is a step above an obvious western. It's a Long journey for two that ends in marriage. This is an excellent read for the genre.....ER

Bill ROBINSON says

Good one

Another good one from R. O. Lane. Any story with a successful gold mine and a relationship that comes together after years apart is a winner. Keep an coming

Charles Castell says

For a short story Mr. Lane does an excellent job covering a successful lifetime very well. This story is filled with never ending endearments throughout this very heartwarming romantic relationship. It is a very fast developing story, but there is enough suspense to keep anyone's interest.

Mr. Lane is very consistent in his efforts to achieve perfection in his many well developed western adventures, and this far, I have have more than impressed with his endearing western adventures accomplishments. This novel, although short, is most definitely a fiber star masterpiece.

The many adventurous endeavors throughout this story are very heartwarming and very entertaining. The excitement throughout the entire story is definitely worthy of following to see what the next episode might develop. I was mesmerized from beginning to end. I have long been a follower of Mr. Lane and he has never disappointed me with his many different adventures of our true old western folklore. This one is a little different, but the mystery and excitement is always present to maintain the reader's complete attention.

Recommend this novel? Most definitely, without hesitation, as this family-friendly story will touch your

heartstrings throughout the entire book. To not read this outstanding story will definitely be your loss, most definitely!

Elizabeth West says

Wishin and Waitin

Enjoyable short story. Sweet romance with a good bit of drama. Easy to read, was finished in a few hours.

Clarence E Lambdin Jr says

Fun read

Fun inspiring, good storyline. Looking forward to more. Lots of excitement. Clean and wholesome. Love a clean love story saga.

Gary L. Harter says

Thanks for a great story

Enjoyed this short story very much. Keeping one waiting for the next page. The action never stopped. Just sorry it's over.

Edward A. Gettler says

I really do love a story that has a HAPPY ENDING.

Short or Long this was another of your works of art, Mr. Lane. At this rate, I hope you never stop putting "Pen to paper". Rest assured that you have my undivided attention. Keep up the wonderful works that I truly love. E. G.
