***** This is a beautiful novella that brings us up-to-date on all of the terrific couples and the Greene family from this splendid series.

Caleb and Gio, plus daughter Sarah, Landon and Micah with a surprise, Morgan and Akio, Carter and Ryan are back from touring with surprises, and the Greene family holiday festivities include everyone. There is a tree cutting for the Agape House teens, and a fun scavenger hunt.

Hunter, Isaac and Matt are having fun, Lachlan and Rylie with Dylan, 15, and Max, 8, are happy, too.

This story is loving, with super sexy times, including a first time Landon asks for.

So, lovely surprises, deep emotion, and abundant heartfelt love abounds. This author brings our characters to life.

Merry Christmas. ENJOY !

Nice to catch up!

Always happy to get a check in with character I already fell in love with. Was surprised to see an epilogue with a one year jump. Hope we find out more about Issac's brother.

GAH!! I miss all these guys and this crazy family!! This was such a great read catching up with all these sexy guys! I love love love this series and this was such a great addition. I've read each book in this series and have fallen in love with all these guys and this amazing family. Annabella Michaels does an amazing job yet again with this fantastic holiday addition.

The Greene family is spending the holidays together and there is lots of chaos, laughter and so much love. It's great to come back and catch up on these amazing couples and see where they are, what's happening and plans for the future. Not to mention, get another glimpse into the sexy times of these men who have each taken a spot in my heart.

I'm so in love with the family dynamic in this series and this book definitely gives you the warm and fuzzies. It was great to see more of the parents, Kathy and Rick Greene, who are such strong secondary characters throughout the series and are truly the backbone of this amazing family.

This was such a quick, fun, loving, sexy and very heartwarming story. Annabella Michaels did a great job bringing us a little more of these men I have grown to love and gave this series a phenomenal ending. Although, I'm sad to say good-bye, I can't wait to see what this author comes out with next.

Awwww....

That was cheesetastic! It was nice seeing all the couples from the Souls of Chicago still together and very happy with one another. It was just a big love fest.

The one thing I remain curious about is Isaac's brother, I am sure, or at least hoping, we get a story out of that.

Also, the timeline with these relationships are confusing AF. Did they all start at the same time? Why is this Micah's first Christmas with Landon? I thought it should have been more since other relationships have blossomed and kids were born. The math wasn't adding up in my head. So yeah that had me scratching my head.

Overall it was a cute little catch up on all the happy couples.

More than Enough Love

This is a sweet collection of reflections by each family member in the extended Greene family. I especially like how everyone at Agape House is included more than once. I really need to have a resolution for Isaac.

Lovely Christmas celebration

It was so great to catch up with the Greenes and their adopted family again! With such a big, boisterous family full of happiness, they're bound to get into fun, naughty trouble but they'll show how good they are to land on Santa's Nice list, anyway. This book answers some lingering questions from the first 6 books and poses a couple of new ones. It shows the quality and thoughtfulness we've come to expect in Annabella's writing. It's a beautiful telling of Christmas time with the Souls of Chicago. ?

Zu Weihnachten trifft sich die ganze Greene-Sippschaft, samt Freunden im Haus der Greenes. Viel Spass, viel Essen und auch viel Wärme und Zuneigung erwarten den Leser bei diesem Kurzroman. Die Weihnachtstage werden aus unterschiedlichen Perspektiven erzählt, doch jedes Paar oder auch Trio wird auf die ein oder andere Weise beleuchtet. Viele von den Jungs sind endlich 'angekommen', andere haben sich in ihrer Beziehung weiterentwickelt und wollen noch einen Schritt weitergehen.

Es war wirklich schön zu lesen; wieder alle auf einen Haufen zu haben und zu erleben, wie sie sich entwickelt haben und welche Träume und Sehnsüchte sie noch in sich tragen. So habe ich schwerstens mit Isaac mitgelitten, der seinen Bruder Zane schmerzlich vermisst und von seinen Männern Matt und Hudson liebevoll aufgefangen wird. Oder auch Landon, der noch immer an den traumatischen Erlebnissen zu knabbern hat und doch zu einem neuen Selbstbewusstsein gefunden hat, das auch Micah durchaus gefällt. Mit gefiel es sehr gut, dass am Ende auch noch die Eltern der Greene-Geschwister noch Platz finden und man ihrer Liebe und Zuneigung erleben darf. Wunderschöne und leicht zu lesende Weihnachtsgeschichte.

Love this family.

I have followed this family faithfully and treasured every story. This author has taken a amazing family and made you feel like you are right there with them. The family and their friends are such amazing people that you want to be with them. Grab this book of you have followed this wonderful series.

Diverse says

I have read all the books in this series, and you do have to read them in order. Each book adds to the growth of this family and this story. We follow the Greene family in these books. Even in the two books where the Greene family aren't any of the MC's, their presence is felt and seen.

Ever-Greene is a farewell in a sense. Even though the author has stated she's doing two spin offs, this chapter ends. The Greene's are all happy and in love. Annabella Michaels gave so many men their HEA's.

This was the best way to close off a series. Who doesn't love the holidays? I'm a huge Christmas junkie! This book had all the merry's and jollies and happy's. We get to see each couple from the beginning of this series. We see where they are now, the new things that have happened for them and how amazing their futures look.

My heart was warm and my smile was huge throughout this entire story. It put me in the holiday mood and even though I wiped a tear or two because we are saying goodbye; I am thrilled I took this journey.

I very much recommend.

Festive catch up time with the Greenes and their loved ones

This is a book with lots of sex ;) as we catch up with each of the Souls of Chicago partnerships as they come

together to celebrate the festive season.

There's the usual wonderful sense of connectivity between each pair, a gentle smattering of family warmth and companionship and a bit of humour to help keep the narrative nice and fluffy.

It's a lovely Christmas read.

Absolutely Wonderful

Annabella outdid herself in bringing the Souls series to a close. Getting to experience a little of everyone's Christmas was the perfect ending. I just hope we don't have to wait too long to see Isaac reunited with his brother Zane. Definitely 5 stars good feel read!
