Harry Harrison

Harry Harrison was recognized as a Grand Master by the Science Fiction Writers of America. He was best known for his 'Deathworld' and 'Stainless Steel Rat' series. He was nominated for the Hugo, Nebula, Locus, and Sideways Awards. He was inducted into the Science Fiction Hall of Fame in 2004. This omnibus edition of his work includes four complete novels and six short stories. Both of his best known series, 'Deathworld' and 'The Stainless Steel Rat' are represented herein. Hours of science fiction delight await you in this five hundred page omnibus edition of some of his finest work.

**Susan Moch says**

### **MISLEADING CONTENTS**

I love this author's work and was delighted to find a compilation of novels and stories that would take a lot of hours to read. However, one of the novels is in the collection twice under different names. Why pay to read the same thing twice? Very disappointing.

### **Good read but ...**

Always have been a HH fan so nothing wrong with the stories. The collection though.

Deathworld 2 and the k factor are the same story.

The stainless steal rat story is only a few chapters of the book or perhaps a short story version. So that was a tad irritating.
