**Health Assessment for Nursing Practice** Susan F. Wilson , Jean Foret Giddens

Today's nursing students are busier and more pressed for time than ever. The good news is that **Health Assessment for Nursing Practice, 6th Edition** caters to your needs by focusing only on the information you need to master the core assessment skills and thrive in clinical practice. In addition to its focused content, you can look forward to straightforward and easy-to-understand language; vivid photos; clean page layouts; and of course the latest information on topical things like electronic documentation, QSEN competencies, and cultural considerations. Plus, with its abundance of engaging learning tools - like case studies, procedure videos, animations, and insightful call-outs - you'll be able to maximize your learning AND study time!
