Once Upon a Matchmaker Marie Ferrarella

Tres hombres... ¿Y la mujer perfecta?

Si a Micah Muldare le faltaba algo era tiempo. El atareado viudo no tenía horas suficientes para su exigente trabajo y sus dos pequeños hijos. Era evidente que en su vida no había lugar para el amor... hasta que Tracy Ryan llegó a ella.

Tracy ya había sufrido una vez por amor, así que había desistido de la idea de encontrar al hombre de su vida y formar una familia, pero le estaba costando mucho trabajo resistirse al guapo Micah, y a sus adorables hijos. Tal vez hubiese llegado el momento de cambiar su manera de ver la vida y de arriesgarse para conseguir tener la familia que siempre había deseado.

Char (1RadReader59) says

Really enjoyed the story with the characters Micah Muldare father of two young boys & a wife who had passed away. Also, Tracy Ryan who is hired as his attorney. There was really nothing at all about the matchmaking mamas except at the beginning when they were looking the situation over with the couple. Otherwise, nothing so was disappointed there.

Renn says

It was nice to read that a guy just took charge, and went in and kissed the socks off her. My kinda man

Frances says

Good characters and situation.

Susan says

Good book. I really liked Micah. He had devoted his life to his sons and his work, because he didn't want to go through the devastating pain that he had gone through when he lost his wife. When he needed a lawyer, he was given Tracy's name by a friend of his aunt's. He didn't expect to be attracted to her. Tracy had given up on the idea of a family of her own and now spent all her time working. She hadn't had any trouble resisting the urge until she met Micah and his boys. I loved Micah's devotion to his family, and his boys were simply adorable. I liked the way he was so straight with Tracy about his legal problems and what it meant to him. I loved the way that Tracy bonded with Micah's sons so quickly, and how well she fit into his life. I also thought that the way she worked at proving Micah innocent of the charges was great. And, as always, I love seeing people from previous books show up in later stories.

Shawn says

I love the characters in this book..a smart sexy lawyer defends a single dad against treason and falls in

love..great story!

Shirley Lyons says

Classic Ferrarella

Tracy and Micah both have past marriages to overcome and with the help of two little boys, they do it. Micah has work issues and Tracy helps him with that when's she falls in love. Enjoyable and clearly written with Ferrarella's flair...
