### **Tena Greear says**

I was exhausted when I finished the series. From the first book until the last Blackstock moves mentally and physically through each story. The characters are true to life and Cape Refuge feels like a place I would love to visit. I consider myself a pretty good detective but by the last book I realized I was kidding myself. If you want to be kept in the edge of your seat I highly recommend this series.

#### **Okay read**

This series was an okay read. It was a little overdone with all the twists in the plot. It kept my interest but I was glad when I finished this story.

### **Heather says**

#### **Love her books!!**

Terri Blackstock has a way of keeping you guessing until the very end! All the while incorporating a powerful message of hope and redemption through Christ. I have yet to read a book of her's that I didn't love!!

## **Sally Beaudean says**

### **Powerful Spiritual Mystery**

Terri Blackstock writes a good mystery. The reader is quickly engaged in the plot twists, and at the same time interested in the lives of her very likeable characters. The Christian message is clearly evident as the characters sometimes struggle with their faith in the stories' circumstances. If you like Christian fiction, you will certainly enjoy this quick-read series.

I couldn't put this series down. I have read other books by Terri. She's a great writer, but the Cape Refuge series is my favorite.

### **Sorry it's over**

This book was the one I've been waiting for. Finally Cade and Blair got married but not without a murder to make it more exciting. I only wish there was another sequel with this story line. This one had me guessing on who the suspects were. It's not getting boring to me.

## **Jerry Hunt says**

### **I will miss them...**

I didn't want this series to end. Each of the stories grabs hold right away and doesn't let go until the end and then the next book grabs hold... I loved the message of Faith, Hope and Redemption through Jesus in each of these books. Each book would remind us that there is evil in this world and things we won't understand now, but they would pray and trust in the Lord.

## **Jan Locke says**

### **Sigh...so good!**

With the first book the characters were so endearing to me that I couldn't wait to read their story. The writing blends the love, fear, compassion, hatred, joy & sorrow Cape Refuge citizens experience as they come to

know & trust Jesus as the true refuge. It's 2 am & I couldnt stop reading until I knew how the story would end.
