Back in the Brazilian's Bed Susan Stephens

He's back in her life...

Events planner Karina Marcelos has risen to the top of her field trying to forget lothario polo player Dante Barracca. Ten years ago he took her innocence, but that wasn't all she lost after that fateful night...

She's back in his bed!

With the Gaucho Cup to organize, Dante knows Karina is the best person for the job. But the buttoned-up woman he hires is a shadow of the vivacious girl he once knew. No one can hide under the glare of the Brazilian sun, and Dante plans to lift the lid on Karina's secret before he lifts the champion's cup!

Krystean says

First turn off - stupid grammatical errors. Don't get me started on the dumb storyline. However, the bonus short story by Maisey Yates included with this book had me hooked from the beginning and I will definitely make a point of reading more books by Maisey Yates!

Ana says

while i was reading the book i thought it was a bad book. hero is arrogant, and heroines brother is also arrogant and bully towards her. so it was a bad book for me. but at the end, public proposal....it just went from bad to horrible.
i hate public displays of marriage proposal and undying love.

Renel says

Well paced and detailed story line. Love the back drop of Rio, the Carnival, the ranch and an emerald mine.

Michele says

Started a little slow; but an enjoyable read

Jenny says

Very dark story. After her one night stand with hero, heroine not only loses her baby, but she is moving on to a new relationship with an abusive man who beats her and almost rapes her. Depressing book.

Ann says

Another enjoyable romance by Susan Stephens. :)

Debra says

Back in the Brazilian's Bed

Because of her brother she is thrust back in his company again. Their parting of ways was not pleasant. He

was not ready to settle down and she knew it. But with the past unfolding can he stay away this time? Can she let go?

Harlequin Books says

Miniseries: Hot Brazilian Nights!

Fanniny Moreno Zavaleta says

Did not finish.

First, the Hero's name doesn't sound very Brazilian.

Second, it was depressing :s

Lichaun Trotter says

I loved the story, she was a strong woman that overcame issues that happened to her. Which helped her to heal and also with the help of male lead character Dante (which I loved his character), I also liked the his personality and the way he handled things! It was a good short read!!

Missy says

A nice read.

Years ago they shared a hot passionate night together. Finally believing that Dante loved her too, Karina is crushed when Dante treats her like a mistake. Dante afraid of his feelings for her and his belief that he is too young to be tried down breaks her heart.

Years pass.....Dante goes about his arrogant playboy ways while Karina overcomes a painful secret and an abusive relationship to owning her own catering company.

They meet again to plan the Gaucho Cup on Dante's estate: Dante is intrigued by her and can't stop thinking about that long ago passion. Karina on the otherhand does not want to get involved with the heartless man again. Passion rears its head leaving both unable to fight their attraction but Dante will need to work extra hard to keep Karina.

A nice passionate read, but some areas were sad and others kind of dull.....not sure what happened but the storyline and characters were not woven together with same thread.
