Hindus Under Siege The Way Out Subramaniam Swami

Hinduism, known as sanatana dharma is unique in that in all the world, it has had a continuous and unbroken tradition for the longest time; and it is a religion constituted by its theology, cultural ethos, and civilizational history. India's Hindu society is founded on the content of these three constituents. Hindustan, as India is known abroad even today [e.g., Yindu guo in Chinese, Hind in Arabic], as a concept is defined as a nation of Hindus and those others in the nation who accept that their ancestors are Hindus and revere that legacy.
