Angel Garner is a young, spoiled cowgirl used to getting her own way. When Clay Roberts wins the stallion she covets at auction, she's determined to make him sell the horse back. The only problem is the cowboy has no plans on humoring her.

Landon Wilder has had a crush on his friends' sister since before he can remember. He tries to help her get back her horse, but soon learns a trick or two from the man she claims to hate. Their sexual games soon inspire real emotion, complicating their ménage a trois. For them to have a lasting future together, it'll take two determined cowboys to properly break the stubborn, blonde filly.
