## **Miss Ryoko says**

Pretty basic read for a chapter book - but I liked the chapters were shorter and it had a decent amount of pictures. It's perfect for use at school! Writing is simplistic, but I'll get over it ;-)

## **Dolly says**

Fun Scooby story for the kids. This one was longer than some of the others I've read, and with fewer pictures, so it's more appropriate for older children, especially those who are reading on their own. But our girls love Scooby-Doo, so they loved this one as well.
