### Hannah Belyea says

Yoh and his friends have found Ren and decide to help him defeat his family, even if it means having a duel to the death against his own father! Takei excels at blending drama and action in this dark and dangerous entry to the "Shaman King" series. Ren must make his hardest choice: family over friends, or vice versa?

În volumul ?sta e o diferen?? substan?ial? fa?? de anime, dac? îmi amintesc eu bine. În Voyage of the Shaman avem continuarea confrunt?rii dintre Ren ?i tat?l s?u, Yuan, care mi s-a p?rut mai pu?in grafic? decât în anime, ca impact cel pu?in, dar poate e doar p?rerea mea. Dup? ce conflictul se lini?te?te, cei patru prieteni (Yoh, Horo Horo, Ryu ?i Ren), pornesc mai departe în The Shaman Fight... Partea care nu cred c? a ap?rut în anime e faptul c? to?i participan?ii sunt du?i în Statele Unite cu un avion privat ?i l?sa?i s? se descurce singuri pentru a g?si Path Village, f?r? niciun fel de indiciu, în trei luni. Cine nu reu?e?te acest lucru, va fi descalificat. Manta nu porne?te înc? în aceast? c?l?torie îns? existen?a sa este lipsit? de sens f?r? cel mai bun prieten al s?u, care i-a ar?tat o lume cu totul nou? ?i i-a dat via?a peste cap. Tamao are parc? un rol mult mai relevant decât în anime sau cel pu?in, apare de mai multe ori, pe când rela?ia dintre Anna ?i Yoh mi se pare mult mai clar conturat?. De?i logodna dintre cei doi a fost stabilit? de bunicii lor, Anna se îngrijoreaz? de fiecare dat? pentru reu?ita lui Yoh, pe când acesta, probabil datorit? vârstei, nu o vede tocmai cu aceea?i ochi. Turneul ce are loc odat? la 500 de ani este cel mai important lucru pentru întreaga planet? în aceast? serie ?i fiecare participant eligibil î?i tr?ie?te întreaga via?? antrenându-se, pentru a putea mai apoi s?-?i uneasc? for?ele cu Spiritul Luminii, din memoria mea, ?i s? conduc? lumea. Ca peste tot, exist? personaje negative ?i pozitive ?i tocmai în acest volum, Hao î?i face apari?ia, fiind unul dintre pu?inele lucruri care îl nelini?tesc pe Yoh. Nu pot spune exact dac? m? simt a?a de absorbit? în aceast? lume pentru c? e desenul care mi-a înfrumuse?at copil?ria ?i am urm?rit anime-ul atât în englez? cât ?i în român? în repetate rânduri, sau dac? efectul este general. Savurez fiecare dialog, fiecare cadru, pagin? ?i m? bucur enorm c? e o serie lung? - de?i e greu ?i costisor de achizi?ionat, m?car am pl?cerea de a continua s? tr?iesc în aceast? lume care m? men?ine copil, la care nu a? vrea s? renun? vreodat? c?ci pentru mine e cât se poate de real?. Indicii spa?io-temporali, aproape inexisten?i în anime, sunt foarte bine delimita?i aici ?i m? au ajutat s?-mi pun ordine în gânduri cu privire la ac?iune. De pild?, chiar nu ?tiam c? Patch Village este în America, cel pu?in, am fost surprins? când acest lucru a fost men?ionat în carte. Ce se va întâmpla mai departe, cum descoper? grupul de prieteni acest ora? ?i care sunt greut??ile pe care trebuie s? le înfrunte pe drum?

Seria este în continuare de o profunzime extraordinar? pe care nici pân? acum nu o pot p?trunde cu adev?rat. Pot doar deduce ce ar însemna acest Turneu în lumea noastr?, cum exist? lucruri care ne dep??esc, pe care nu le putem vedea dar totu?i dau curs vie?ii colective, ne controlaz? din locuri ?i în feluri care ne sunt complet inaccesibile. Pe lâng? faptul c? acest Turneu este doar pentru ?amani - oameni ce prezint? puterea de a vedea ?i a controla spiritele, se formeaz? de asemenea o elit?, o triere a celor mai buni dintre ei, din care moartea face parte ca ?i consecin??. Ace?ti ?amani sunt program?i (dat fiind faptul c? The Shaman Fight are loc odat? la 500 de ani), preg?ti?i de mae?tri adev?ra?i din acest domeniu... au un scop în via?? înc? de când se nasc. ?i totu?i, tot psihicul lor este factorul care îi separ?, care îl va declara pe unul dintre ei Regele ?aman. Lumea oamenilor obi?nui?i va trece prin schimb?ri pe care ei nu le vor putea în?elege, datorit? for?elor superioare, datorit? b?t?liei dintre spirite ?i corpuri puternice, modului de a face alegeri ?i principiile de

via?? ale fiec?rui participant. Este un concept extraordinar ce poate fi analizat dintr-o gr?mad? de puncte de vedere. Chiar nu cred c? voi putea avea vreodat? suficient Shaman King în via?a mea. O serie filosofic?, plin? de ac?iune ?i strong moral values. Recomand tuturor.

Not a bad manga, just not my favorite.

In the first half the story involving Ren's family from volume eight is resolved. The second half was pretty fillery. The Shamans find out that the first thing they have to do in the Shaman fight is move to America! Oh, and a new Ren-style bully named Hoa is introduced and has already gathered an entourage of shamans

signed up for the fight.

This was a fun volume. There's further character development for Ren and Yoh and his friends prepare for the next round of the tournament. They are presented with a new challenge and a new mysterious opponent. There was a nice amount of action in this one and the storylines contained within flowed well together.

I like that Yoh and Ren worked together to try to beat Ren's Father. The background was great and the over souls.

Okay just so everyone knows Shaman King is rated Teen but it deals with death and ghosts so if that kind of stuff bothers you then please don't bother with this series unless you are able to overcome such resentments for a fun story with interesting characters. There is also at least one bath and urinal scene (though you can't see anything in them) but that kind of thing is not so uncommon in anime or manga so use your best judgment if that would be a deal breaker.

Yoh and friends discover Ren but their reunion is not joyous as Ren is insistent on doing what he came to do before being captured. So with Ren coming along the rescue mission has become one of salvation before the shaman tournament is even in full swing and we get to see some of the horrors that Ren's family have inflicted upon people as each opponent faces them before meeting Ren's father head on. In this volume the truth of Ren's father comes to light and a master will come face to face with his student in a martial arts fight.

In addition to that time is finally up and all of the people chosen to fight in the tournament are gathering to go to the beginning stage including Hao who is all to happy to introduce himself to Yoh and his friends. However things are not always what they seem and the tournament is already on the way as everyone suddenly falls out of the sky. If you want to know why don't be shy and pick up this book. :)

My favorite part of the book would have to be when Ren initially defeats his father and we get to see what he used for his oversoul and we get more background into Ren's family and their goals which is just fine character building as far as I can tell. :)
