When A Boss Wants You 2 Kaylyn Kiara

Sometimes you find love I'm the most unexpected way. At least that is the case for this crew.

After finding out that her Prince Charming is nothing more than a lying married man Royce finds herself back at step one. Torn between what she feels and the truth she struggles to make sense of the bomb Nadia dropped on her.

Kordell is in the fight of his life to get Royce to believe him but she's driving a hard bargain. The only problem is Nadia refuses to give up the same way he refuses to give up on Royce. Will the truth and a grand gesture be enough to win her over?

For the first time in a long time Javoni has feelings that he isn't running from but it's not as easy as he thought it would be. With every step he takes to do another obstacle is placed in his path.

Christian isn't in a rush to jump back into a relationship but her feelings for Javoni have a mind of their own. Will she give Javoni a chance to see where it goes or will her love for Malcolm prevail.

Will Royce give Kordell a chance to redeem himself or give up on Love all together. Will Christian and Javoni be a match made in heaven or a fling that goes up in flames?

Wow

This series is getting hotter... I was shocked at Khari...her brothers are going to flip. I don't trust Nadia. The parents relationship with her is super weird. Kordell is starting to get his mind right...finally. I think This is going to have to show Her dudes ex side piece a thing or two.

Good Read

Khari needs to go ahead & love her life. If Darius makes her happy, bite the bullet & be with him. Javoni will be pissed, but he'll get over it! Royce better hurry & tell Kordell about her being pregnant. They will forever have problems with Nadia. Christian & Javoni are doing well if Ayla stays out the way. Good book other than a few grammatical errors.

Decent

It's a great story, its just hard for me to get past the editing. For the most part, I can figure out what it's supposed to say but if I paid for a book should I have to decipher it?

Wtbs, yes I liked the book enough to want to decode part 3! Very interested in finding out what happened with that ending. Like who did that? And will Darius and Javoni fight? Darius already upped the strap on him once?? Darius and khari are my favorite couple!.... I'm happy to see that Javoni is getting his life together, but hopefully the past doesn't come back to bite him in the butt!

Enjoyed the book and cant wait for part 3! I already got a feeling of who ramming into the back of darius car. Im so sick of nadia like she just need to go away. Still cant stand kordell parents like they need to stop trying to baby and run they kids life.

Loved it!

Book 2 was good but I have so many questions!! What happened was the accident caused by her dad? Where is Nadia going? What is Ayla going to do to Christian next? How will Kordell take the pregnancy news and will Royce get her job back? Also, Allen seems like a stalker! On to book 3!

Love Drama & More Love

I so love Javoni is growing up. He and Christian have came such a long way. Javoni is my favorite person in this installment. Christian needs to let her guard down. So glad Kordell did what he needed to do. What is Royce going to do now. I hope she just woman's up and do what she has to. Loving this series so far. Khari I feel sorry for her. Darius I hope he on the up and up. Their parents are weird as heck. Ready for part 3

Jaw dropper?????

This book was everything & then some ,I love how Javoni is finally open with his feeling's because Christen is his match for sure . As for Kordell I can see Nadia being a problem but Royce isn't having it ,I just hope this doesn't break up what they have built. As for Kari & Darius her parents need to let up and allow her to be the Woman that she is ,and he need to cut all ties with Mia can't wait on part 3

has a place in my heart I hope Darius and khari are OK .I hope Nadia go away and never come back and I hope javoni keep turn into man he needs to be . can't wait for book 3

Great read

Its sad how Khari is so trapped and smothered like let that girl live. She better than me because I would've moved on campus or used somebody's card to get an apartment. I see Javoni trying to be on his grown man and get his life together. Kordell plays too much with how he moved himself in. Royce better than me because I wouldn't keep going to my mom and aunt's rescue.

RENDY FOSTER says

Mesmerized

Nadia ,Ayla & Mia are asking for trouble for the Hughes siblings .I love all the couple's especially Darius and Khari that ending got me. I'm so ready for part 3 .Kaylyn this series is amazing I would highly recommend

Hope Thomas says

Wow....

I didn't expect that ending. What happened to the car? I hope like hell the father didn't hit their car or is something else going on... This is crazy man smh! I can't believe that Javonni is really expressing his feelings for Christian. I would have never thought he would be how much of a hoe he was. I can't believe that Royce is pregnant by Kordell. Y did Nadia drop her kids at Kordell's house n leave them with Royce like that. She acting kinda crazy tho. I really enjoyed reading this book! This was fire right here! ?????

Picked up right where the last installment left off and didn't miss a beat. This series getting better and better and I definitely couldn't put it down...page-turner. This book like the first one is full of drama, action, secrets and bitter ex's that make a interesting and intriguing read. Amazing storyline and love the character development. After that ending I can't wait to see how this all unfolds. I need PT3. Another amazing job Kaylyn Kiara.

Michele says

You never disappoint

great job Kay. I love the growth if Javoni. Ayla needs to get a real life and leave Christians alone. Cordell and Royce will get it right, right lol. Nadia needs a 2 piece with the quickness. Mom n Pop need to get a life. Ready for the finale.

Nesha H says
