Zech Marquez Sonia Francesca

"Sa isip ng isang taong nagmamahal ay magulo at komplikado ang lahat ng bagay. Ang kailangan lang naman talaga niyang gawin ay pakinggan ang tibok ng kanyang puso."

Nakakunot ang noong inilayo ni Karin ang kanyang mukha nang kaunti-unting ilapit ni Zech ang mukha nito sa kanya. "Ano'ng ginagawa mo?" anong niya.

"Nothing," sagot nito.

"What 'nothing'?" Nakatitig na siya ngayon sa mga mata nitong kakulay ng malabnaw na tsokolate, His clear skin and reddish cheeks, arrogant nose, and very sensuous lips were ni match in pictures of him she had seen.

"Maganda ka naman pala kahit paano. Hindi ako mahihirapang akitin ka at paibigin."

Tila malamig na tubig na gumising sa kanyang kamalayan ang mga sinabi nito. "You can't make me fall in love with you, Mr. Zech Marquez. Nakaplano na ang lahat sa buhay ko at hindi ka kasama sa mga iyon."

"But I here now." He closed the space between them. "Whether you like it or not, you'll have to make some adjustments in your life for me because I'm not going anywhere, Karin."

I was supposed to write this review a few hours ago, but damn! I was distracted with the Samaniego Twins and the whole SRC hunkies, kaka-sulat ko lang kasi ng review kung saan nag-appearance ang mga asungot pero sobrang gwapong kambal na yun. Haha, I should stop this, or else magmumukhang story ito ng walang pakundangan kong pagmamahal sa kambal, haha!

I read this story last month, or I must say, last year. Haha, last December 2014 po. Unlike the first one I read, which is the story of Dennis Serrano, this one is different. Ofcourse, lahat naman ng story ni Miss Sonia Francesca eh hindi pare-pareho, pero itong isang to, eh different kasi hindi tumatak sa 'kin. Kailangan ko pa talagang basahin ang book summary para matandaan ko, hihi (sorry po, tumatanda na ata ang loleng nyo hehe). That's also the reason why I gave this story only 3 stars. Hindi porke't 3 stars ang nilagay ko eh pangit na ang estorya. Basahin nyo kaya! Haha

Ang plot ng estoryang to eh typical love hate romance. Cliché right? Pero nunka, kakaiba to ening, di ko nga lang matandaan kung ano ang ipinagkaiba. Haha, pasensya na mga dude! But seriously, kakaiba talaga to! 'San ka nakakita ng taong hate na hate nyo ang isa't-isa pero gumagawa ng paraan para mapaibig ka? Well, meron siguro, pero hindi typical diba? So tama nga ako, it's really not your typical love hate romance (haha, wag na lang komuntra!)

As usual, napakaganda ng pagkakasulat. Ano pa bang ineexpect nyo kay Miss Sonia Francesca? Shemay diba? Haha. And the typical kilig to the bones scenes were present and ofcourse, my ever favorite funny moments, lutang na lutang mga dude. Grabe ka Miss author, quoting-quota ka na sa pagpapatawa sa 'kin.

Don't be a victim of the stars above, haha, dali at basahin na rin ang estoryang to. For sure, mag-eejoy ka and be sure to remember all the scenes in the story ha, wag gumaya sa 'kin na dinaig pa ang lola ko sa sobrang malilimutin.

Rating: 4 out of 5 stars
