A Softer World: Everybody Gets Got Joey Comeau , Emily Horne

Thumb through the pages of A Softer World Book 3: Everybody Gets Got in your makeshift throne. Walk over to the Commissioner. Place the book on the floor, just out of his reach. Slowly you walk over to the shattered window of the observation deck, gaze down into the city streets, cool gusts of wind bring cause your eyes to water. Tonight. Tonight is the night the Bat will die.

As you might guess, this is a book full of the A Softer World comics. It is 246 pages, all-colour.

Kevin Hogan says

I think this volume encapsulates everything that I love about A Softer World with the absolute minimum of what annoys me about A Softer World.

S says

I'm a little sad because the binding was separating when this showed up, but that doesn't detract at all from the wonderful collection of A Softer World comics. They are available online, of course, but I love having the books to thumb through whenever I feel like it. There is pretty much nothing better than ASW.
