## From Reader Review Beauty and the Beast for online ebook

### Ietrio says

I don't get it: why do people insist reading this horrible stories to the children. Probably it is just a habit: they were read to them and they do the ritual all over without really caring for the values they are teaching.

The husband should be a bit nicer than the devil goes a saying. Sex, submission, but think of the money he has!

First a parent teaches these stories to young minds. Than, the same person rises the voice against such and such celebrity and "their morals". Pfff.

---

### Olena says

Olena Beauty and the Beast (French: *La Belle et la Bête*) is a traditional fairy tale written by French novelist Gabrielle-Suzanne Barbot de Villeneuve and published in 1740 in *La Jeune Américaine et les contes marins*. Her lengthy version was abridged, rewritten, and published by Jeanne-Marie Leprince de Beaumont in 1756 in *Magasin des enfants* to produce the version most commonly retold. Charles Perrault is not the author of this book

---

### Erika E S says

Como siempre digo, no está demás conocer las versiones de los cuentos.

---

### Nandakishore Varma says

Bruno Bettelheim calls this the most beautiful of all fairy tales - and I agree. The first time I read it, I could not understand why Beauty hated the Beast: he was a cuddly cartoon lion. Only years later did I learn that in the original tale, "The Beast" is never exactly described, leaving everything to the reader's (or rather, listener's) imagination.

I loved the Beast absolutely, and was a little pissed off with Beauty for not accepting him. I loved the way he treated her. Unbeknownst to me, the Beast must have inculcated in me some "gentlemanly" ideals.

The last panel of this comic book, which shows Beauty in romantic bliss with her handsome prince in the enchanted castle, must be one of the most beautiful ever drawn.

---

### Ale says

## LEÍ DOS VERSIONES DE *LA BELLA Y LA BESTIA*

Y quedé en shock.

La versión típica la amé.

La versión original es... ¡cruel!

El padre de Bella realmente no existe y sus hermanas son brujas que tienen a Bella como sirviente.

La bestia tampoco existe, es La Muerte que tomó el cuerpo de un enfermo leproso y cuando se entera que las brujas mataron a Bella cuando le dio comida a él, las infecta de sus heridas, las encadenan en el sótano y él se echa a morir junto al cadáver de Bella.

¿Romance?

¿Dónde?

¿Historia de dormir para niños?

Se perdió entre la traducción de francés al español, creo yo.

---

### **Aayat says**

Shows how important to treat people nicely, and how important inner beauty is. So great for the kids.

---

### **Zim says**

A simple story that gives justice to the phrase, love conquers all.

Charles Perrault ver

Beauty merchant beast rose marry ugly stepsister

Sorry to be late to write book report.

It takes 2 weeks for me to read books.

At first, I thought this book is same as Disney one,  
but Charles Perrault ver is not same as Disney.

I think this version is more interesting,  
and I was really moved at the ending.

I cannot believe this story was made in the 1900s.

This book is so good romance story.

Have you ever met ugly beast?

I saw some kind of beast in the forest.

---

**Kevin Cortez says**

POCO SE LE COMPARA

---

**Laura says**

Based on the classic French fairy tale, Beauty and the Beast tells the story of Belle: an intelligent young woman scorned by her townspeople for being a bookworm, weary of fighting off the advances of the arrogant Gaston, and dreaming of escape.

---

**Andrew says**

A little strange. I didn't like the illustrations.
