Darwyn Cooke brings readers the tale of the Minutemen. Formed in 1939 by Captain Metropolis and Sally Jupiter, the team brought together some of the most well known crime-fighters of the era. But public glitz and glamour only hide the grim and gritty reality behind the masks.

"This isn't a book. It's a bloody confession!" Plus: Don't miss the CRIMSON CORSAIR backup story by writer LEN WEIN and artist JOHN HIGGINS!

### **Noel Manhattan says**

El guión de Darwyn Cooke aprovecha todos y cada uno de los cabos sueltos de Alan Moore. Y lo hace muy correctamente.

### **Elena says**

Así, sí.

### **Jedi JC Daquis says**

Brilliant narration! That dark and twisted ending is something to look forward to, but it leaves a huge heaviness in your heart.

Issue two has some intense scenes that are quite hard to digest. Darwyn Cooke has dropped a big bomb in this issue, something that is frequently seen when you are at the end, but not as early as this.

I guess (the late) Cooke still has many things in store for us. Hopefully.

### **E.S. says**

Hooded Justice and Captain Metropolis? Dafuq

---

### **Erikka says**

Well that was dark. I love the different motivations showing you that the Minutemen were doomed from the outset. And the three overlapping stories at the end were creepy, sad, and great cliffhangers.

### **Mr Shahabi says**

This chapter got Much Darker, i like
