Well this was a really good book when it comes to fantasy. It was good portals just like Dragon Drive #1 and if you like fantasy manga books you would really like this series.

CHIBI STILL FTW

R.C. Rejino says

While this volume seemed to be more "fluff" compared to the last volume, I'm sure it's setting up more for the series.

Hannah Belyea says

Reiji and his friends are heading to the Dragonic Heaven Competition in Rikyu to challenge fellow dragon partners, but before they can enter, Chibi goes missing - and it may have something to do with a pair of kidnappers! Sakura gives another fun and entertaining entry with the beginning of the tournament arc. Will Reiji find Chibi in time to participate?!
