Jessica's visions have continued unbidden since she blacked out at the lodge the night of the storm. She doesn't know if the vision of Stone Richardson dead is real or fantasy.

For a cop like Stone, being in the line of fire is part of the job. That doesn't stop just because the woman he loves has a vision. He needs to keep investigating the mayor's murder, whatever the risk.

So much is at stake now that they've found each other again. And neither can see the future with certainty, or predict when danger will strike.

Don't miss the continuing drama in Grand Springs with Cinderella Story by Elizabeth August.
