### **Rinya Singh says**

My very first book from the Animal Ark series !

---

### **Rea says**

I really enjoyed this whole series as a child. Back then I'd devour each of the books as soon as I could get my hands on them.

---

### **Sammy says**

I was completely obsessed with this series of books when I was a child and my aim was to read every single book. They are a really good children's series.

---

### **Twyla says**

I can't remember

---

### **Amy says**

Cute story and easy to read

---

### **Clarice says**

i read these books when i was little and they all are good except sometimes a little boring because all the animal ark series has pretty much the same storyline.
