## **History of Interior Design** John F. Pile

This classic reference presents the history of interior design from prehistory to the present. Exploring a broad range of design styles and movements, this revised and expanded edition includes coverage of non-Western design and vernacular interior architecture and features 665 photographs and drawings (color and black-and-white). The companion image bank includes an interactive presentation of periods and styles, incorporating more than 100 illustrations. "A History of Interior Design" is an essential resource for practicing and aspiring professionals in interior design, art history, and architecture, and general readers interested in design and the decorative arts.

# From Reader Review History of Interior Design for online ebook

## Kara says

Certainly not by choice. For school purposes only. :(

---

## Jalu Wardhana says

Giving me more inspiration...

---

## Ch. says

Read as a course material. This is a very thick book that covers Interior Design within its social and cultural context from the beginning of Ancient Times to modern days. A comprehensive, insightful read that comes with many pictures and illustrations making it a great reference for students of interior design and architecture.

---

## Cheri says

I find all of Pile's books have good information. They should be in most Interior Design and Architecture offices as a good reference guide. A great book for a student to have in their library.

## Nonon says

(y)

---

## Camille Rodriguez says

good

---

## Alan Houot says

It seems to me that we've come a long way from the days when people protested the horror of Interior design. Good book!
