**If²...** Evelyn McFarlane , James Saywell

If you found out for certain there is a Heaven and a Hell, how would you change your life? If you had to name the one thing that most frightens you about growing old, what would it be? If you could have only one part of your body massaged every day, what part would you choose? If you could have any view in the world visible from your bed, what would it be? If you could suddenly find out that one work of fiction was actually true, what book would you select? If you could name the sexiest words anyone could say to you, what would they be? If you could put anyone you know on Prozac, who would you choose? If you could be the house cat or lap dog of any person on earth, whose would you choose to be?

If...(Questions for the Game of Life) was a bestselling sensation with readers around the world. If 2 is a collection of 500 completely new and tantalizing, provocative questions that really make you think. It's an excellent source for party games, office water-cooler conversation, family dinners, and nights out at the local tavern. Crack open the secret dreams, the hidden desires, and the real personalities of your friends, your family, your lovers--and even yourself--with If 2...

## **From Reader Review If<sup>2</sup>... for online ebook**

### **Adrian says**

A continuation of the Classic...a great Party game or way to get to really know someone.

---

### **Kurt says**

Some of the questions are dated or boring (one asks about being Judge Lance Ito, which won't play well with readers who have forgotten the O.J. Simpson trials), but this is mostly a worthy successor to the original.

---

### **angrykitty says**

still fun.

"if you could change one thing about your mother's life, what would it be?"

damn if i don't even remember adding this review....

---

### **Amber says**

Very dumb!

---

### **Sarah says**

Ideal for sparking intriguing conversations at the dinner table.

---

### **Carmen Cerevisiae says**

As with the first book, if you remove all the questions that are not suitable for kids, this is a good way to entertain kids on a long car ride.

---

### **Sunny says**

It kept my conversations with my hubby really interesting.

---

**Paula says**

great little book of questions to break the ice

---

**Ahmad Rashad says**

nice set of questions  
not a book to read for some time
