Nasty Girls Erick S. Gray

Camille, Jade, and Shy are best friends and have always had each other's backs. Jade and Shy's boyfriends, Roscoe and James, are partners in a lucrative drug business, but one night they get caught up in a shoot-out that goes horribly wrong. Shy's man, Roscoe, ends up in prison while James walks away clean, and things begin to fall apart between the girls. Jealousy, greed, revenge, and betrayal test the true bonds of friendship. Get ready, because these girls are about to take "nasty" to a whole new level.

This is the first book I've read by Erick Gray and I loved it! It had a lot of drama in it and kept me interested! I'm so sad about what happen to Jade! This book teaches you how your friends can be just as backstabbing as your enemies! I will definitely be reading Erick Gray's other books.

Andrea says

I just love this book I can read it over and over again me and my girls can talk about this book all day and good jod Erick keep it up

Lakeisha says

Awesome

I loved this book. I didn't like the dreary parts to much but over all this book is amazing. Great

Latina in the game says

I LOVE THIS NOVEL ERICK IS MORE THEN JUST AN AUTHOR HE IS A TRUE STORY TELLER..
A MUST READ

If I hear or read the word "leather" one more time I can going to snap. Why did every character in this book have to wear leather like it was going out of style? As soon as the author began to describe anyone's outfits for the day I knew the word leather was coming sooner rather than later and unfortunately I was right. Leather everything! HELLO, there are other fabrics out there! This book almost drove me to join PETA! Ha ha. Besides that annoyance this book was awesome. Some much happened and the description of events were so vivid that I literally felt like I was watching a movie. These girls definitely did some nasty things, Shy in particular. She was hands down my early favorite but that wore off slowly and she became a villain by the end of this tale. I was shocked, yet fully entertained by the action packed despicable acts in this novel. Some of these characters just blew my mind with their backstabbing agendas. A part two would be awesome.

Title:Nasty Girls

Author:Erick S. Gray

Genre:An Urban Novel

In This Book,Nasty Girls,Written by Erick S.Gray these three girls are crazy. They live there daily lives trying to be young and party wild. Then all are facing different problems in there Life. This book is such an eye candy book. I never want to put it down when im reading. I often GET IN TROUBLE in Class for reading at the wrong times.I have read pages 1-263, im almost done reading it.

In this book one of the characters boyfriend is in jail. She is trying to hold him down while in there but it gets to hard for her. I never had a problem like this but i know how it feels to be alone and miss some one. The second girl is have trouble maintain a good relationship. But her boyfriend is abusing her. The third girl is bi sexual and shes trynna figure out what she wanna do if she wants a girlfriend or boyfriend.

I wonder what made the author write a book like this. Did he face problems like this, in his younger days?

This was an easy read. I did not like how things turned out but hey, that's real life, I guess. The book was Okay. The only person I was really interested in was Shy. She was my favorite :)

Ladondra says

this book is about 3 girls who become best friends but later becomes backstabbers towards eachother. Its starts from having gang banging boyfriends to the result of heart breaking deaths and life sentenes.to the use of drugs to losing friends over ones friends's boyfriend to having nothing left but some of their dignaty. i learned from this book is that its good to have friends but youre not going to always find the real ones.

First time reading this author, the title was not fitting for the book. No sure if I will be reading book 2, then again I am curious, hmm.

Nicjerrica says

This book really shows how one boy can make these four friends life change. There were three friends who all grew up in Jamica Queens. None of them have family so they stick together to make it out the hood. This book is for people who like drama. You should read to find out which one of the friends out of the three are real and fake.

Life Is What You Make It

Best friends for years, Camille, Jade and Shy have always looked out for each other. But once Shy's boyfriend, Roscoe, gets locked up, things change for the trio. Their bond is tested and friendship is stretched to its limit.

"Nasty Girls" has been sitting on my shelf for a few years now. Got an autographed copy from Erick when he rolled through town. On a mission to knock a dent in my TBR pile, I cracked it open. Had I read this book when I first got it, I might have enjoyed it more. Let me explain...so many books, so many authors and so many years later I found "Nasty Girls" to be a very typical read. Nothing more, nothing less. It was saturated with stereotypical characters, stereotypical dialogue and an overabundance of designer clothes. I lost count of the number of times leather was worn. Leather jackets, leather pants, leather shirts, leather skirts. I don't know how many cows were killed during the writing of this book, but a farmer somewhere is very upset! Every female was a b*tch. Even the female narrators referred to themselves as b*thces in their thoughts. It was a bit much. I also didn't care for the naïveté displayed by some of the female characters' actions. And I'm not sure how the title comes into play.

Now, with that said, what I did like was the fact that it was a well-written story. I also appreciated the reality of life. As with life, there are not always going to be happy endings, and I liked that Erick wasn't afraid to show that. Despite my issues with it being a typical read, once I picked up "Nasty Girls," it is fast-paced and not easy to put down.

No major flaws exist, but it remains a tale told many times before. I think Erick is talented, but I'd like to see him move past the typical, the expected, and the obvious. And maybe he has since this book came out a few years ago.

ONE OF THE BEST BOOKS I'VE READ IN 2015 => !!! WHAT AN OVERALL JUICY & STEAMY BOOK THE BIG DICKS AND DRAMA KEPT MY ATTENTION IF YOU LIKE URBAN BOOKS ABOUT FRIENDSHIP YOU'LL LOVE THIS ONE. AT FIRST THE BOOK WAS SLOW, DRAGGED ON , AND VERY REPETITIVE. BUT THEN WHEN I CONTINUED TO READ MORE INTO THE BOOK , IT STARTED TO BECOME A GREAT READ TO ME. I WOULD SURE LIKE TO KNOW WHAT DECADE THIS BOOK TOOK PLACE IN. I HOPE THERE WILL BE A SEQUEL - THE AUTHOR DESCRIBED JAMES SO GOOD HE HAD ME WANTING TO FUCK HIM THAT GETTING ATE OUT WHILE TOUCHING THE CEILING SOUNDS SO NICE RIGHT NOW. I FOUND SHY AND JADA'S STORY(S) & LOVE TRIANGLE SO INTERESTING TO ME.CAMILLE WAS ALL OVER THE PLACE HOW COULD SHE DOG OUT NIGGAS BUT END UP GOING TO CALIFORNIA WITH ONE SMH I SKIPPED MOST OF HER MIXED UP BULLSHIT. I REALLY WISH SHY & JADA WOULD'VE CONFRONTED EACHOTHER >_< . . . SHY WAS SUCH A COWARD ASS BITCH & JADA WAS A STUPID ASS BITCH TO KEEP FALLING FOR JAMES B.S SHE HAD POTENTIAL AND HER LIFE

WAS CUT SHORT WHY COULDN'T SHE LEAVE JAMES SOONER. BITCH ASS JAMES WAS A LOWDOWN NIGGA HE SHOULD'VE DIED A HARSHER WAY HE KNEW WHAT HE WAS DOING THE WHOLE TIME WITH HIS SHIESTY ASS HE WAS THE EPITOME OF WHAT A SNACK REALLY WAS. THE ONLY SMART PERSON WAS ROSCOE BECAUSE HE SEEMED TO BE PREPARED FOR IT ALL . . . I THINK HE WENT TO JAIL TOO SOON I DID NOT READ ENOUGH ABOUT HIM TO DEPICT WHAT TYPE A PERSON IS WAS. . . I LOOK FORWARD TO READING MORE FROM THE PERSON WHO PINNED MY NEW FAVORITE BOOK.

A very talented writerBUT can you please writ so when i finish reading i can be satisfied...Jade outcome should have been better...

Janice says

A friend was given this book by a co-worker of hers and she suggested that I read it, as it was something that she wouldn't normally read, and hence I wouldn't normally read.

It's "urban fiction" basically meaning that it's written for a certain demographic, of which I am not. I'll be honest and say that the writing level is about the 3rd grade if you can get past all the expletives. I would bet that about 1/3 of the book is the word "fuck" and "bitch" and another word that I'm not going to write here.

I will also admit that I didn't like how it portrayed women, in the sense that they were always valuing themselves based on their clothing, their looks and whether or not they had "a man" - I'm not sure if that's because it was written by a man or what, but it was definitely apparent that every time there was trouble, the women always went running to a man to help solve the problem.

However the story took a twist in the end that I wasn't expecting, and it did catch me off guard. So I will give the author that...but I'm just so frustrated that all the book did was perpetuate stereotypes about that culture - and maybe people write what they know, but I found it more sad than anything.
