**The rules have changed.**

Now the Damned can go on vacation, and even hook up. Without Pandora near him, can Calvin get a little action in Cabo?

*Unfortunately, the general has a different demand of Katie coming from a whole industry.*

**Requested to be in New York, Katie is working a side job or two.**

Her mercenary skills are useful, and profitable, for other types of hard jobs.

*And this time, the Damned can help a child.*

**There will be hell to pay when Katie and Pandora come calling, with no quarter for the demons.**

Scroll back to the top and click “Read for Free” or “Buy Now,” and kick back for a fun supernatural action-packed adventure that will have you yelling for the good guys and laughing at the arguments between Katie and...her.

" \*\*\*\*\* Be prepared to handle sleep deprivation." - Torn Asunder - Book 01 - Protected by the Damned.

" \*\*\*\*\* A masterly told tale about a group of dedicated contemporary warriors standing between humans and demons. A can't put down read. Characters that grow in interesting ways and well balanced action. Well done and an exciting opening to a new series." - Torn Asunder - Book 01 - Protected by the Damned.

" \*\*\*\*\* Be warned... very addictive!" - Torn Asunder - Book 01 - Protected by the Damned.

" \*\*\*\*\* A story with kick-ass heroes and characters written where you feel like you are part of their crew stuck in a story that you has you entertained from page 1. Katie and team are a lot of fun to read about. Definitely a different take on Demons." Lisa M. Frett - Torn Asunder - Book 01 - Protected by the Damned.

### **Frank Bertino says**

#### **When Is A Vacation Not A Vacarion**

Katie is evolving. Both she and Pandora are changing. It's cool to contemplate what they will be able to do next. I like the action, snarky dialogue, and romance. Katie's Angel aspect is quite interesting. Already it seems to disturb Pandora. I look forward to the next book.

### **George Lawson says**

#### **Wow! Maybe the best yet**

This one is exciting. Both Calvin and Katie are on their own and both smash it out of the park. Katie is discovering that she is more than just the home of Pandora. Good new spin is coming but it looks like we have to wait for a few weeks.

### **Jim Guldner says**

#### **Politics ensues**

Well, we can kind of tell what they think about our current President (and no disagreements from me). also now the addition off the angelic angle and aspects should even further complicate the Katie and Lilith angle. Still e enjoying and looking forward to reading the next book.

### **Sandy Chapman says**

#### **A great addition to the series**

Just what I've come to expect from any of Micheal Todd Anderle's books. Action, adventure, humor, and donuts, who could ask for anything more! Calvin gets his first vacation since becoming Damned, just plenty of beach time great food and lots of eye candy. It's not suprised when trouble finds him, just where it comes from. Katie is taking full advantage of her stay in New York City while doing consulting for the police. When trouble comes there are a few unexpected twists along the way. Started reading this afternoon and couldn't put down until I was finished. This is such a fun series I'm really looking forward to the next one. Wish there was a way to give it the starts it deserves!

### **Loved it**

Fast paced page turner with interesting characters that you instantly root for. I am loving the 2nd arc of the series looking forward to starting the next book. I highly recommend this series

## **Bobby Childers says**

### **Damned good book.... impatiently waiting for book 3**

Katie/Pandora keeps getting better and better. Katie is embracing her new "angelic" abilities and Pandora is discovering that Katie's newfound heritage might not be so bad after all. Can't wait until book 3 is out.

## **Charles F Tillman says**

### **Non stop action with a bit of snark and humor thrown in.**

Katie takes a trip to New York, Calvin goes on vacation. Just what they need a little R&R...Riiigggghhhhtttt. Anderle once again pulls out all the stops and brings out a story from two different perspectives. Katie is working solo and taking to the big city life while Calvin is working on getting his freak on in Cabo. Now if the demons and drug cartels would just understand...you don't f#\*k with The Damned!

Calvin enjoys his trip, takes a live and let live attitude with the local infected, and makes nice with his taco loving demon. Loads of fun until he stumbles onto a kidnapping attempt and a damsel in distress. Then all Hell breaks loose.

Katie is making nice with NYPD and discovering more about her Angel powers while Gabriel pops up at odd times like some uninformative stalker Angelic Oracle. Add in intel that someone is planning a terrorist attack using demons and the stage is set for one hell of a good time.

Humor, romance, inappropriate comments, demons, religious idiots, and doughnuts abound in this fast paced tale of The War of The Damned.

### **LOVE♥?♥??**

This is a great series. I am so excited to continue learning more about KATIE/Pandora.

Laurie, you might think about buying yourself a RV for your travels, that way you would not have to pack up. Also you can write com some beautiful places. I look forward to the next book!

## **Laura Duval says**

**Amazing! Expect to be awed!**

Solid five star rating! How can I rate it any less?

Love Katie and Pandora. Even Gabriel turning up here and there is grabbing my interest.

This installment to the series had plenty of humor and action. It's always fun reading the dialogue between the main characters, Katie and Pandora. There are new characters coming into the scene. I see a lot of changes happening to Katie's Killers and can't wait!

---

**Lois Alston says****Really, really enjoyed reading this story**

Loved how you did Calvin's and Marie's stories individually. Enjoyed how in touch Calvin is with his demon. Liked how Katie is getting more in touch with her angelic side.

---

**Adele Van dyk says****Michael never disappoints**

Another escapist, exciting, entertaining, funny, oh no he didn't, thrilling ride from my favorite author. His sense of humor and ability to write about strong, independent women you can relate to is astounding! Please keep these stories coming! They are just so fun!

---

**jennifer tuttle says****A fan from the start...**

I stumbled upon this series... when I did I was hooked! I have read every single one of the DAMNED books and can't wait for the next one! As I am reading these.. I find myself holding my breath.. laughing out loud..and crying right along with the characters. The books suck you right in at the beginning and leave you wanting more at the end... Mr. Michael Todd.. I'm a fan for life... PLEASE never stop writing!!! Thank you

---

**Bill Jensen says****Two story lines yay**

This book takes Katie to New York City to stop...oh read it yourself. The second part takes Calvin on vacation to Mexico for sun sand and well women... but you all know that with these two action finds them. Hold on well reading you are in for some fun and donuts yes there are donuts, donuts and more donuts.

## **Mia LeNae says**

### **Fruit Roll-ups anyone?**

I know I didn't skip a book, but maybe I missed a novella? Because the mysterious person from book one all of a sudden has a name and he answered questions I didn't even know she asked in the first place. And why does her team keep getting smaller? Kandora army of one please. I love this series but maybe it's the girl in me... I need Katie to have some hawt man meat stat!

---

## **Kin Orr says**

### **Not just the best Damned....**

But I frankly think this was the best Michael Anderle book to date. Action filled, character driven and allowing the driving characters to evolve. This book is imaginative, adrenaline building and still heartwarming. Well done Michael and I am looking forward to more Katie, Pandora and Calvin. Five emphatic stars!
