## **From Reader Review Release for online ebook**

### **Ratula says**

5 Glorious Stars! Review to follow!

---

### **Kayla says**

Oh Ms. Franco, what have you done to us? All other taboo reads pale in comparison. Until this next book is released I'll spend my time on goodreads searching for something just as good.

---

### **Lily Rose says**

OMG! OMG! I want this book like yesterday! I can't get enough of KOVA and RIA! September comes never too soon!!!!

---

### **Ginger says**

I can't wait for Release to be released (no pun). I love the Off Balance series because the angst between Kova and Ria is so freaking hawt to read. #TeamKova #KovaRia
