From Reader Review Soft: Cocaine Love Stories for online ebook

D0LL says

This book was boring, I didn't even finish it, It was all over the place like Ashley&Jaqvuais can do better

Valerie Cunningham says

So far it is very good. After reading the first chapter by T. Styles called Luxury Tax it leaves you wanting more.

E G says

This book was really good. It was horrifying but yet a page turner. Well, tell you get to the men chapters n then I had to stop. They were slow dragged out stories that did not keep up to tempo like the women. really I don't get into male authors, nut I did give the male author in this book a try. And like always they disappointed me. This is just my opinon. I can't stand when men wrote stories about women, and try to tell it from a women view. Once again, men dint understand women. So male writers should just to writing stories from their point of view. Three stars for women stories. The other two stories written by male author lack stars.

Danielle Bigsby says

Overall, it was a good read. I favored some authors over others yet overall, it was a solid compilation. I enjoyed the read.

Punkin says

i dnt like short stories and all 3 of these left you hanging

Lunden says

First of all, this book is not written by Ashley Antoinette or her husband. They write the forward.

All of the stories were pretty good in my opinion. I just hated how they all, except for the last one, were unfinished. It seems like they all ended in cliffhangers. I tried to see if the authors of the stories wrote the extended version of the book and published it but I found nothing. Pretty good read I was just wondering what happened next.

Deidre says

although I just read it so I could read luxury tax I still really enjoyed this story. friends had her all messed up in this story.

Amyr says

this was a dope series of short stories. they all had a good plots & believable characters who kept it funky.

Tracy Jenkins says

I dont usually do anthologies or short stories but since i am familiar with the authors i had to buy this , and they havent dissaponited me yet. This is a MUST READ JUST LIKE ALL THE REST OF THEIR BOOKS!

Akieon says

This is an anthology that gathers the creme de la creme of Urban Fiction with the opening shot of T.Styles' "Luxury Tax" ..."there is a luxury tax ,when you fuck with rich niggas, you don't get to floss without a price and its time you recognize that shit" and pay Ginger does,the ending will leave you speechless, and according to T (this is going to become an entire novel) my second favorite story was JM Benjamin's "Smooth As Silk" a hustler's love story at its finest ...Caroline Mc'Gill & boston George's story are both A1.....pick up "Soft" because next year "Hard " is coming!!!

Shaveta Brock says**It was ok**

This book was ok for short stories. I only liked one story and that was the second story. I would buy part 2 to that but the rest I wouldn't waste my money on.

Djuana Lacey says**Great Read**

All four stories were entertaining and kept me engaged. I highly recommend this book to anyone looking for adventure. 5 stars

URBANLIT BOOK REVIEWER says

i really brought this book for my author boston george and he kill it in this short story and i just luv my BG and great job .and i didnt read the other stories yet

Tasha Milteer says

So not what I thought. I've been dying to read this for so long and felt disappointed. Seemed rushed and unfinished. Only 2 stories were worth reading.
